Profit after Tax	6.79	(24.28)

PERFORMANCE

Despite the Industry's slow pace of growth and competitive market forces, from both within and outside India, the Company's efforts in various directions towards improved performance indicators have yielded the desired results. The trunover of the Company from own sources comes to be Rs. 125 Crores (approx).

Further the Directors are pleased to inform you that the Company achieved 90 % capacity utilization of plant taking into consideration the milling/shelling of various govt. agencies worth Rs. 126 crores (approx) as compared to the previous year figure of Rs 84 Crores (approx). It shows that if the Company utilizes its 100% capacity, the turnover of the Company will cross Rs. 300 Crores (approx).

FUTURE PROSPECTS

Due to increase of minimum support price of paddy as well as rice by the Government, the procurement price of rice has gone up as a result of which the Indian rice in the export market has become non-competitive as compared to the price quoted by other South Asian Countries particularly Vietnam and Thailand. However due to the change in the rice export policy of Government of India, FCI has exported the rice procured from your company on subsidised rates of export. Your Company has already expanded its share in the domestic market. The Company has also carried out detailed studies for the export of other allied products being manufactured/ processed by it and plans to tap the international markets.

FIXED DEPOSITS

Your Company has not accepted any deposits within the meaning of Section 58A of the Companies Act, 1956.

INSURANCE

All the assets of your Company, including the Plant & Machinery, Buildings, Equipment etc. have been adequately insured.

DIRECTORS

In accordance with the provisions of the Companies Act, 1956 and the Articles of Association of your Company, Mrs. Vijay Luxmi retires by rotation at the ensuing Annual General meeting and being eligible, offers himself for reappointment.

The office of Mr K R Sharma was vacated during the year u/s 283(1)(g) of the Companies Act, 1956

ANNEXURE-I

INFORMATION AS PER SECTION 217(1)(e) READ WITH COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF THE BOARD OF DIRECTORS) RULES, 1988 AND FORMING PART OF THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH 2003.

A. CONSERVATION OF ENERGY

1. Energy Conservation measures taken:

The Company has taken various Energy Conservation measures at its manufacturing/processing facilities to reduce energy consumption. The maintenance of the Boiler and Electrical Equipments is carried out regularly with optimum care with the help of the technical professionals and modern equipments.

The Company is in fact engaged in the continuous process of further energy conservation through improved operational and maintenance practices.

2. Additional investments/proposals, if any being implemented for reduction of consumption of energy:

During the year 2002-2003, the Company has not made any additional investments for the reduction of the consumption of energy on account of the resource crunch. However, with the present resources, the Company had taken overall measures to reduce the consumption of energy. This was rendered possible through proper maintenance on regular intervals of the Plant & Machinery and other electricals installed in the manufacturing/ processing facilities of the company. The efficient running of the DG Sets has resulted in considerable energy saving.

3. Impact of 1 & 2 above for reduction of energy consumption and consequent impact on the cost of production of goods:

The above energy conservation measures have resulted in saving of power & diesel consumption thereby enhancing the life of equipment.

4. Total energy consumption and energy consumption per unit of production as per Form A in respect of industries specified in the Scheme thereto.
