## **ANNEXURE TO THE NOTICE**

### **STATEMENT IN RESPECT OF ITEM NO. 6**

Section 224-A of the Companies Act, 1956, provides that in the case of a company, in which not less than 25% of the subscribed share capital is held by public financial institutions or any Government or nationalised banks or other financial institutions referred to therein, the appointment or re-appointment of the auditors shall be made by a Special Resolution. As more than 25% of the subscribed share capital of your Company is held by the categories of bodies corporate mentioned in that Section, the resolution for the appointment of the said Auditors and the fixation of their remuneration is proposed as a Special Resolution as set out in item No. 6.

As required under Section 224(1) of the Companies Act, 1956, certificates have been received from them to the effect that their appointment, if made, will be in accordance with the limits prescribed in Section 224 (1B) of the Companies Act, 1956.

### **EXPLANATORY STATEMENT IN TERMS OF SECTION 173 OF THE COMPANIES ACT, 1956 IN RESPECT OF ITEM No. 7.**

At present companies are not permitted to buy back its own shares. The Companies Bill, 1997 seeks to lay down the operative provisions to regulate the buy back of its own shares by companies. Hence it is expected that in due course of time, law would be amended to allow such buy back subject to certain conditions. Such buy back of shares, if permitted, is expected to enhance the shareholders value. Hence the Directors feel that it would be desirable to have an enabling power from the shareholders for this purpose.

The buy back will be met out of the free reserves and/or out of the proceeds of an issue specifically made for this purpose. The shares so bought back shall be dealt with as per the prevailing law/regulation.

Your Directors recommend the resolution for approval of the shareholders.

Interest of Directors :

None of the Directors of the Company is in any way concerned or interested in the resolution.

## DIVIDEND

Your Directors recommend payment of Dividend at 30% on the equity share capital of Rs. 12,19,15,200/-, enhanced after the issue of Bonus shares, for the year ended 31st March, 1998. The Dividend if approved will be paid to those members or their mandatees whose name appear on the Register of Members on 4th September, 1998, without deduction of tax.

## OPERATIONS

During the year under review, the Company has achieved a turnover of Rs. 51420.00 lakhs (1996-97 Rs. 53893.00 lakhs) resulting in a net profit of Rs. 3915.17 lakhs (1996-97 Rs. 4078.29 lakhs).

## TEXTILE MACHINERY

Since the introduction of liberalisation programme, capital goods industry continues to have stiff competition and particularly the textile machinery industry is affected very much due to the liberal import of second hand machinery which continues to be unabated. Further the duty cuts on imports, an on-going process since 1991, made the imported machineries cheaper and attractive. The machineries which can be imported at 20% in the normal course

## LAKSHMI MACHINE WORKS LIMITED

and 0 to 10% under EPCG Scheme, coupled with higher import duties on raw materials, components and local levies, the Indian textile industry found it attractive to import the machinery, more so second hand machinery than going in for domestic machineries. The foreign manufacturers set up joint ventures with their own manufacturing facilities in India.

The textile industry is facing the grim situation of increased cost of raw material and reduced yarn prices.

Even in the recent budget, the import duty has been reduced from 20% to 10% on specified machinery whereas similar reduction in import duty is not available for raw materials and components. Restrictions on availing 100% modvat credit adds to the woes of textile machinery industry. In this circumstances the textile machinery manufacturers are unable to run their units to full capacity.

With the above background in view, your Directors feel that the performance of your company is satisfactory.

### MACHINE TOOL AND FOUNDRY

Due to the slack demand in the economy as a whole, particularly in the engineering and auto industry, besides dumping by the foreign machinery manufacturers, the off-take of domestically manufactured machinery has drastically reduced thus affecting the growth and profit margin of this division. Your company has exhibited new model CNC machines in the recently concluded IMTEX exhibition at New Delhi. Your company was presented with the most innovative display award among the Indian and foreign participants. Your Directors feel that this will also bring in more orders. Your Company's collaborators Mikron has assured that it will increase the quantity of the machines including new model machines under buy back arrangement.

Your company has identified new customers for machined castings in domestic and overseas markets and the response is encouraging.

### EXPORTS

During the year under review the Company's export turnover was Rs. 2953 lakhs (1996-97 Rs. 5722 lakhs). The reduction in turnover is due to the general recessionary trend prevailing throughout the world and the economic crisis in the Far Eastern countries. As a strategy, we are now concentrating our efforts in the new markets of Mexico, Turkey, African countries etc.

### RESEARCH AND DEVELOPMENT

During the year the newly developed prototype machines of Speed Frames and Ring Frames were exhibited in Otemas, 1997, Japan which was appreciated. The commercialisation of the above is in progress and your company feels that they will be well received in the market.

Our main focus and thrust continues to be in Research & Development activities in tune with the growth prospects of the industry.

### AWARDS

During the year under review, your company received highest overall export award for export performance during 1996-97 from the Federation of Indian Textile Engineering Industry and Regional Special Shield for outstanding export performance during 1995-96 from Engineering Export Promotion Council.
