This explanation together with the accompanying Notice is and should be treated as an abstract of the terms of re-appointment of Mr. M. V. Kotwal, as the Whole-time Director of the Company under Section 302 of the Companies Act, 1956.

Item No. 11 :

Presently, the Non-Executive Directors are paid commission not exceeding Rs. 90 lac per annum in the aggregate in terms of the resolution passed by the shareholders at the Annual General Meeting held on August 26, 2005. The said approval was valid for a period of five years with effect from the financial year 2005-2006.

The roles and responsibilities of Non-Executive Directors have undergone significant changes under Corporate Governance norms and made it more onerous for them, demanding their greater involvement in the supervision of the Company.

The compensation payable to the Non-Executive Directors of companies should be adequate to attract independent professionals to take up these positions. This practice of payment of remuneration to Non-Executive Directors has been adopted by many leading companies in India.

The performance of the Company has also been very buoyant over the past few years.

The Company, as a part of its future growth strategy, intends to enlarge its business in the international markets. It would be in the interest of the Company to also have more expatriate expertise on its Board to build its brand in the international markets.

Hence, approval of the shareholders is sought to enable the Company to make payment of remuneration in the form of commission to Non-Executive Directors, commensurate with their enhanced role and involvement, in any case not exceeding the limit of 1% of the net profits of the Company per annum in the aggregate, as specified in the first proviso to Section 309(4) of the Companies Act, 1956. The quantum of remuneration payable to each of the Non-Executive Directors within the aforesaid limit will be decided by the Board of Directors from year to year. This Resolution will be effective for a period of five years from April 1, 2010.

The Directors recommend passing of the Resolution.

All the Non-Executive Directors are or deemed to be, interested in the Resolution.

Item No. 12 :

The Company, as a part of its future growth strategy aims to emerge as a focused and strong engineering and construction company. The Company would need to invest in expanding its facilities to support a growing order book. Growth in business would also require a larger level of long term working capital. In addition to growing its existing areas of business, the Company plans to enter into and expand its presence in other ventures including infrastructure development projects. The Company may also consider suitable opportunities for inorganic growth.

While it is expected that the internal generation of funds would partially finance this programme and debt raising would be

another source of funds, it is thought prudent for the Company to raise a part of the funding requirements for the said purposes as well as for such other corporate purposes as may be permitted under applicable laws through the issue of appropriate securities as defined in the resolution, in Indian or international markets.

It is, therefore, proposed to raise an amount not exceeding US\$600 mn or INR 2700 crore, if higher in one or more tranches, on such terms, in such manner, at such price or prices and at such time as may be considered appropriate by the Board, from the various categories of investors in the Indian or international markets as set out in the resolution.

The fund raising programme may be through a mix of equity / equity-linked instruments, as may be appropriate. Members' approval is sought for the issue of securities linked to or convertible into Equity Shares of the Company. Section 81 of the Companies Act, 1956, provides, inter alia, that whenever it is proposed to increase the subscribed capital of a company by allotment of further shares, such further shares shall be offered to the persons who on the date of the offer are holders of the equity shares of the company in proportion to the capital paid-up on those shares at that date unless the shareholders in a general meeting decide otherwise. The Listing Agreement executed by the Company with the Stock Exchanges also provides that the Company shall, in the first instance, offer all Securities for subscription pro rata to the Shareholders unless the Shareholders in a general meeting decide otherwise. Members' approval is sought for issuing any such instrument as the Company may deem appropriate to parties other than the existing shareholders. Whilst no specific instrument has been identified at this stage, in the event the Company issues any equity linked instrument, the issue will be structured in a manner such that the additional share capital that may be issued would not be more than 5% of the paid-up capital of the Company (as at the date when the Board recommended passing of the Special Resolution). The equity shares, if any, allotted on issue, conversion of Securities or exercise of warrants shall rank in all respects pari passu with the existing Equity Shares of the Company.

The raising of the above resources would be well within the borrowing limit of Rs.2000 crore over and above the aggregate of paid up capital and free reserves of the Company as approved by the Members at the Annual General Meeting of the Company held on 21st August, 1989.

The Company may also opt for issue of securities through Qualified Institutions Placement. A Qualified Institutions Placement (QIP) of the shares of the Company would be less time consuming and more economical.

Accordingly, the Company may issue securities by way of a QIP in terms of Chapter VIII of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 ('SEBI Regulations'). These securities will be allotted only to Qualified Institutional Buyers (QIBs) as per the SEBI Regulations and there will be no issue to retail individual investors and existing retail shareholders. The resolution proposed is an enabling resolution and the exact price, proportion and timing of the issue of the securities will be decided by the Board based on an analysis of the specific requirements after consulting all concerned. Therefore, the proposal seeks to confer upon Board the absolute discretion to determine the terms of issue in consultation with the Lead Managers to the Issue.

As per Chapter VIII of the SEBI Regulations, an issue of securities on QIP basis shall be made at a price not less than the average of the weekly high and low of the closing prices of the related shares quoted on the stock exchange during the two weeks preceding the "relevant date".

The "relevant date" for the above purpose, shall be -

- i) in case of allotment of equity shares, the date of meeting in which the Board decides to open the proposed issue
- ii) in case of allotment of eligible convertible securities, either the date of the meeting in which the Board decides to open the issue of such convertible securities or the date on which the holders of such convertible securities become entitled to apply for the equity shares, as may be determined by the Board.

The Stock Exchange for the same purpose is the Bombay Stock Exchange Limited / National Stock Exchange of India Limited.

In accordance with the SEBI Regulations, special resolution of shareholders under Section 81(1A) of the Companies Act, 1956 is required for a QIP Issue. In case of QIP Issuance the special resolution has a validity period of 12 months before which allotments under the authority of said resolution should be completed.

The Board of Directors recommend passing of the Special Resolution.

None of the Directors is in any way concerned or interested in the proposed resolution except to the extent of his/her holding of equity shares in the Company.

Item No. 13 :

Section 224A of the Companies Act, 1956 provides that in the case of a company in which not less than 25% of the subscribed share capital is held whether singly or in any combination, by:

- a] a public financial institution or a Government company or Central Government or any State Government, **or**
- b] any financial or other institution established by any Provincial or State Act in which a State Government holds not less than 51% of the subscribed share capital, **or**
- c] a nationalized bank or an insurance company carrying on general insurance business;

the appointment or re-appointment at each Annual General Meeting of an Auditor or Auditors shall be made by a Special Resolution.

The total share capital held by public financial institutions, nationalized banks and nationalized insurance companies is over 25% of the subscribed share capital of the Company. It is therefore necessary that the re-appointment of Sharp & Tannan, Auditors should be made by a Special Resolution.

The Auditors, have informed us vide letter dated May 13, 2010, that their appointment if made would be within the limits prescribed u/s. 224(1B) of the Companies Act, 1956.
