From the Desk of Chairman

I am pleased to share with you company's performance for the financial year ended March 31, 2020 with this Annual Report. I hope that everyone and their families are safe and sound during these unprecedented times of COVID-19 Pandemic.

World economy have seen major setback due to Covid19 which nobody could have foreseen. Almost every country in Globe has impact of the virus. We at Lasa stand with front liner warriors shoulder to shoulder to get through these tough times.

We are quite confident to sail through this difficult phase, our senior management and employees at all levels have really worked hard in these unprecedented times not only to keep servicing the API Markets but also forayed into newer markets and received FDA nod for commencement of manufacturing PROGESTERONE. It is one of the few drugs that had export restrictions due to COVID 19 situation. We aim to reduce dependence on China by manufacturing the drug at our facilities.

Recently we also achieved a milestone by collaborating with Institute of Chemical Technology (Govt of India) in order to manufacture Favipiravir – a drug which is a promising antidote in treating COVID-19. It possesses activity against many RNA viruses. It is a guanine analogue approved for influenza

treatment. It can effectively inhibit the RNA-dependent RNA polymerase of RNA viruses such as influenza, Ebola, yellow fever, chikungunya, norovirus and enterovirus. We have product ready developed to come up with any time however, presently there seems no demand supply gap based on our internal research we have decided to commercialise later, in no ways there was intention to make profit out of this product since the sole aim was to sale on cost with no margins to contribute towards society.

We are fully backward integrated in key molecules—from discovery research up to full-scale bulk production so that to efficiently control the supply chain.

We are well trusted brand with high quality products, accepted by large companies across the globe. Our Company is the pioneer and amongst the leading players in the manufacturing of APIs, with a well-established brand known for its high-quality products amongst various customers.

Almost all of our products are protected with valid granted patents which contribute around 95% in company's top line. Our Internal Legal Team is closely monitoring violations by close competitors and fully prepared to seek remedy along with recovery of damages in days to come.

On Financials front as well we have drastically improved as committed

Total Income for the FY20 ended 31st March 2020 at Rs.167.27crore. The Company reported EBITDA of Rs. 29.95 crore in FY20, as against Rs 11.11 crore in FY19; up 169.6%. The Company's EBITDA margin improved from 6.55% in FY19 to 17.91% in FY20.

The Company reported a healthy increase in its PAT to Rs. 3.63 crore for FY20, as compared to a loss of Rs. 12.04 crore in the corresponding period last fiscal. The Company's FY20 PAT margin stood at a robust 2.17%, as against-7.10% in FY19.

The finance cost reduced from 8.38 Crore in FY19 to Rs 8.10 crore in FY20 which we aim to bring it on "ZERO" in near future.

We continue to be in state of evolution through a strong drive for improvement while remaining focused on quality, compliance, talent, development and effective risk management.

As I always say and believe Human Capital continues to remain the core of our success. With the support of young, trust worthy, hardworking and passionate Team I am confident for success in coming days which shall achieve milestone in history of Lasa.

I Place my sincere gratitude towards Our Shareholders, Investors, Employees, Customers, Suppliers, Bankers, Regulators and all business associates and thank you all for having your confidence in LASA Family.

Thank you

Sincerely

Dr. Omkar Herlekar
