#### Chairman's Message

#### Dear Stakeholder,

We are living through a difficult time for society and our economies. The crisis around the COVID-19 pandemic has left no one untouched. The virus is not only claiming human lives — it is subjecting individual countries and the global political order to extraordinary stress rarely seen in peacetime. But these challenges only reinforce our resolve to continue working towards Company's vision- to be a responsible business entity towards society and the environment.

First and foremost, we would like to thank you for what you have done already to weather this crisis and to get our company prepared to cope with this situation. Your commitment makes all the difference.

We would also like to reassure you that as a company we are resilient. Over the course of 26 years, we have seen – and mastered – many challenging moments. We are convinced that we will overcome this one too.

We would also like to congratulate you all as our company completes 26 years of success in the footwear industry. We have been going through a major transformation over the past years and it is not easy to assess the transformation impact from one single year's results, but when looking back, it becomes clear just how much has changed. Our teams feel engaged and empowered to always do better and push our shared ambitions to greater heights. Our transformation journey will continue to build from what we have been achieving.

We recognize that the effects of Covid-19 will continue to weigh on our margins in 2020. However, we are confident we will improve our profitability during the year and we know what to do in order to make progress.

We continue to take steps towards manufacturing excellence across our production units. We have been improving productivity and reducing manufacturing cost year on year, with the help of world class manufacturing concepts. Last year was no exception, wherein we were able to manage our manufacturing expenses extremely well, while maintaining our high standards of quality and manpower engagement.

In the year ahead, the business environment will continue to remain challenging and competitive intensity is likely to remain high. With our purpose driven products, passionate employees and your continued support, I am confident that we will continue to deliver growth that is consistent, competitive, profitable and responsible.

As we move ahead, you can be assured that we shall work diligently to take this Company to greater heights. I would also like to thank all of you, our stakeholders, some of whom have been with us for many years, are an integral part of our journey, in empowering our people and our company to be more. If we can execute our strategies, and do the things we must learn to do, the year, and the years, ahead of us could be deeply rewarding, and I look forward to a great journey ahead, together.

With best regards
Ramesh Chand Agarwal
Chairman
