## **FROM THE DESK OF THE CHAIRMAN**

Dear Stakeholder,

As Charles Dickens said, “It was the best of times, it was the worst of times”; the pandemic tested us all severely. From the last couple of years, the COVID-19 pandemic had already caused massive disruptions worldwide across every aspect of human life. This led to an adverse economic, political and social impact on people, society, communities and countries.

Being a global organisation, we continue to focus on the needs of our valued customers to deliver best-in-class quality products globally. Our team is well-positioned to ensure delight of our valued customers by meeting their needs. The Company is on its path to Explore and seize the rising opportunities, to Emerge stronger globally and deliver value with Enhanced performance year after year.

But in these challenges our company has shown remarkable resilience and adaptability towards Company’s vision- to be a responsible business entity towards society and the environment. First and foremost, we would like to thank you for what you have done already to weather this crisis and to get our company prepared to cope with this situation. Your commitment makes all the difference.

I would also like to share that our employees have shown remarkable resilience, loyalty and tenacity in ensuring that our customers are not impacted, despite significant personal challenges and faith of shareholders and members in our company it was remarkable.

We would also like to reassure you that as a company we are resilient. Over the course of 28 years, we have seen – and mastered – many challenging moments. We are convinced that we will overcome this one too.

We would also like to congratulate you all as our company completes 28 years of success in the footwear industry. We have been going through a major transformation over the past years and it is not easy to assess the transformation impact from one single year’s results, but when looking back, it becomes clear just how much has changed. Our teams feel engaged and empowered to always do better and push our shared ambitions to greater heights. Our transformation journey will continue to build from what we have been achieving.

The future full of uncertainties is not something that any of us can claim to predict. We continue to take steps towards manufacturing excellence across our production units. We have been improving productivity and reducing manufacturing cost year on year, with the help of world class manufacturing concepts. Last year was no exception, wherein we were

able to manage our manufacturing expenses extremely well, while maintaining our high standards of quality and manpower engagement.

In the year ahead, the business environment will continue to remain challenging and competitive intensity is likely to remain high. With our purpose driven products, passionate employees and your continued support, I am confident that we will continue to deliver growth that is consistent, competitive, profitable and responsible.

As we move ahead, you can be assured that we shall work diligently to take this Company to greater heights. I would also like to thank all of you, our stakeholders, some of whom have been with us for many years, are an integral part of our journey, in empowering our people and our company to be more. If we can execute our strategies, and do the things we must learn to do, the year, and the years, ahead of us could be deeply rewarding, and I look forward to a great journey ahead, together.

I look forward to sharing with you more milestones in this journey in the coming years. On behalf of the Board of Directors of Lehar Footwears, I want to thank you for your continued trust, confidence, and support.

With Gratitude & Stay Healthy

**Ramesh Chand Agarwal**
