#### LINAKS MICROELECTRONICS LIMITED DIRECTORS' REPORT

To,

#### The Members,

Your Directors hereby present the Sixteenth Annual Report of the Company for the year ended on 31<sup>st</sup> March 2002.

#### SUMMARISED FINANCIAL RESULTS

	(Rs. in Laes)	
	During the year ended	
	31.03.2002	31.03.2001
Sales and other income	751.93	723.83
Profit/Loss before interest, amortisation and depreciation	10.67	16.18
Less: Interest	(-) 243.84	(-) 268.76
Amortisation	(-) 17.85	(-) 17.85
Depreciation	(-) 81.08	(-) 73.79
Profit/Loss before Tax	(-) 332.10	(-) 344.22

#### YEAR UNDER REVIEW:

Your Directors are pleased to inform that your Company achieved a turnover of Rs.751.93 laes, the highest ever since its inception. However, the original projections, on which the BIFR scheme was based, envisaged a turnover of Rs. 21.27 crores during 2001-02 but the market assumption of the original scheme never held, as the sale price of PCBs crashed by almost 20%. Thus we gave a revised projection for the year as Rs.17.80 crores. Even this became unachievable because though the volumes picked in the first two quarters and we did a business of Rs.5.25 crores, the negative international business sentiments with 11/9 WTC tragedy had a very depressing impact on pricing which fell by another 20%, forcing us to further revising our estimates in OCT-NOV to Rs.10.76 crores. We were further handicapped by the shortage of working capital which was again a natural corollary of the unhealthy competition that developed in the subdued market conditions, as the customers

started using supplier credit as a bargaining tool. It is in the above light that our last year's business target achievement should be viewed.

As a result of the above shortfall the Company's cash accruals were way below the projections. Although, we did not have any operating cash loss and had a positive EBDITA (Earning Before Depreciation, Interest, Tax and Amortisation) but the volumes were far too low to address the interest dues of the Institutions. Since the Bank kept debiting its interest dues on WCTL & PTL, the Company could not make Lease Rent payments to PICUP. As informed in the previous report the revised proposal pending with the Operating Agency, M/s IDBI, was subsequently converted to a Negotiated Settlement Proposal envisaging down payment of approx. 70% of the Principal Outstanding of Term Loans and conversion of the remaining approx. 30% into Preference Shares. The said OIS proposal is at an advance stage of negotiation with all the participating financial institutions and we are hopeful that the same would be through in the coming few months.

**OUTLOOK FOR THE CURRENT YEAR:**

The domestic market this year should see a boom in energy meter segment as well as in the instrument and controls that goes into the capital goods industry, but as the telecom market is depressed as yet it is going to have a tremendous impact on the sale price which is going to remain depressed. As materially the domestic situation has not changed much and nor have been able to avail of any greater working capital limits the business volumes are not going to dramatically increase or improve in this financial year unless and until we are able to induct more funds. Exports prospects look substantially better than last year and it will be our endeavour to increase the share of exports over domestic business, provided the security situation remains as it is and there is no conflagration on the LOC.

**TARGETS FOR 2002-03**

Quarter Number	Domestic		Exports		Total
Rs. Lacs	MLB in M2	DS in M2	MLB in M2	DS in M2	in M2
ONE	400	4000	50	500	250
TWO	900	6000	100	500	400
THREE	1200	7000	250	850	450
FOUR	1200	9000	400	900	550

**DIVIDEND**

In view of the continued losses, no dividend payout for the year under review is being recommended.

**DIRECTORS**

During the period, since last Annual General Meeting, there has been no change amongst the Directorships of the Company. Mr. Y.S. Kapadia and Mr. Pradeep Kumar are persons, who have been longest in the office since the last appointment of Directors and in terms of the provision of Section 255 of the Companies Act, 1956 as determined by lot the terms of their offices are liable to retire by rotation at the forthcoming Annual General Meeting. However, they are eligible for their reappointment.

**AUDITORS**

You are requested to appoint auditors for the current year and fix their remuneration. The retiring auditors M/s S.R. Gupta & Co., Chartered Accountants, Kanpur are eligible for reappointment and have given their consent and also furnished certificate as required by Section 224(1B) of the Companies Act, 1956.
