Annexure to the Notice convening the 77th Annual General Meeting to be held on 17 May 2013.

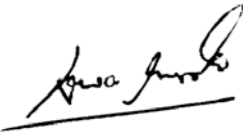

As the business specified in Item No. 5 of the Notice of even date, to which this statement is annexed, is item of special business to be transacted at the 77th Annual General Meeting of the Company, the following facts are set out in compliance with the provisions of Section 173 of the Companies Act, 1956:

Item No. 5
Section 293 (1) (d) of the Companies Act, 1956 provides, inter alia, that the Board of Directors (the Board) of a public company shall not except with the consent of the Company in general meeting borrow monies where the monies to be so borrowed together with the monies already borrowed by the Company (apart from temporary loans obtained from the Company’s bankers in the ordinary course of business) will exceed the aggregate of the paid-up capital of the company and its free reserves, that is to say, reserves not set apart for any specific purpose. At the seventy fourth Annual General Meeting of the Company held on 24 May 2010, the Company by a resolution passed under Section 293 (1) (d) of the Companies Act, 1956 authorised the Board to borrow monies upto a limit of Rs. 15,000 millions.

The Company has ongoing projects which entail significant capital expenditure. Additionally, the Company will also be bidding for several large sized projects for supply of gases on Build-Own-Operate (BOO) basis. For implementation of these projects, the company would require additional funds, part of which are proposed to be met by borrowing from external sources. The Board is therefore of the view that the existing borrowing limit pursuant to Section 293 (1) (d) needs to be revised to Rs. 20,000 millions. As this sum is in excess of the aggregate of the present paid up share capital and free reserves of the Company, consent of members under Section 293 (1) (d) of the Companies Act, 1956 is being sought to enable the Board to borrow monies (apart from temporary loans obtained from the Company’s bankers in the ordinary course of business) upto the increased limit of Rs. 20,000 millions.

The Board recommends the resolution for your approval.

No Director of the Company is concerned or interested in the resolution.
