PERFORMANCE

Lotus has achieved a sales turnover at ₹ 5569.16 Lakhs for the period ended 31.03.2012. The Company continued to follow its policy of offering value to the customers with sales prices just below inflation. The Management is addressing this area of concern as major initiatives are planned during the current fiscal year. Your company's performance has been led through modest investments in our brands, products, innovation initiatives, expansion into new product categories and an uphill task in managing operating costs through cost efficiency measures.

BUSINESS PLAN

During the year under review the Company withstood heavy competition, reflecting strong consumer demand for all its products and services.

The most significant impact will be the cost escalation on the prime inputs, higher escalation on the cost of power/ steam generation, had a cumulative devastating impact on the product competitiveness.

Indeed a passionate commitment to serve a larger segment of customers is the core of your company's business strategy.

Going forward the Company's relentless endeavour to create new benchmarks in sustainable business practices will lend it an unique source of competitive advantage in an increasingly challenging socio- economic environment.

ISO CERTIFICATION

Your company's manufacturing factory located at Narsapur, Medak District has been certified to the latest version of IS 22000 (FSMS- Standard for Food Safety Management System) by Llyods, a leading International Certification Company.

This certification indicates our commitment in a sustainable manner, in meeting global quality, environment, health and safety standards. This is a milestone in our quest for quality.

The Company is planning for FSSAI Certification which covers even PAS 220 and the same will be completed before 2012.

RESEARCH AND DEVELOPMENT

Efforts made on the process front:

1. It is our constant investment and innovation in our basic approach, by adding quality and originality to the products/creations.
2. The Company is able to manage the stiff competition and retained the esteemed customers within its fold and also increase processing capacity.
3. Further new products will be introduced later part of this year. To achieve this, the Company is making innovative energies to harness skills, raising performance and leadership qualities.
4. We work closely with our clients own food technologies, ensuring quality performance and stability under the most rigorous industrial processing conditions.
5. The Company is earnestly focusing on installing a full fledged chocolate and confectionary laboratory scale machinery to fabricate tailor made products to our prestigious customers.

PARTICULARS OF EMPLOYEES

During the year under review, none of the employees of the Company have drawn remuneration as specified under Section 217(2A) of the Companies Act, 1956 read with the Companies (Particulars of Employees) Rules, 1975.

PARTICULARS REGARDING ENERGY CONSERVATION ETC.

The particulars required under Section 217 (1) (e) of the Companies Act, 1956 read with Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 are annexed to this Report.
