ITEM NO. 7, 8 & 9

At present your company's equity share are in the denomination (face value) of Rs.10/- each. Your company's equity shares has been put under dematerialisation, SEBI has allowed the companies whose shares are dematted to have a face value of Re.1/- and dispensed with the requirement of marketable lot, in order to provide maximum liquidity to the share. Keeping in view the above, your management has thought it prudent to change the face value of the shares from Rs.10/- to Re.1/-. This would provide higher liquidity to the share and will be in the interest of shareholders at large. In terms of the provisions of Article 55(b), shareholders approval by way of an ordinary resolution is required.

Further, upon sub-division of the shares face value consequent changes are required to be made in the Capital Clause of the Memorandum and Articles of Association of the Company. Hence the resolution at item no. 8 is placed for shareholders approval by way of an ordinary resolution and item no. 9 is placed for shareholders approval by way of special resolution.

Further, the share certificates shall be amended accordingly. All the shareholders who have physical possession of the shares may surrender the certificates for carrying necessary changes/issuing fresh certificates as the management may decide upon passing of the resolution, the above amendment shall come into force immediately. However the old share certificates shall hold good and will be acceptable to the company for transfer etc., subject to the requirements of stock exchanges at which the shares are listed.

Your directors recommend the passing of the Resolution.

All directors of the company may be deemed to be interested in the resolution to the extent of equity shares held by them and to the extent of equity shares, which they may bought in future.
