BOARD EVALUATION

In terms of the requirement of the Act and the Listing Regulations, an annual performance evaluation of the Board is undertaken where the Board formally assesses its own performance with the aim to improve the effectiveness of the Board and the Committees.

The nomination and remuneration committee has conducted Board evaluation for the year. The evaluation of all the directors, committees, Chairman of the Board, and the Board as a whole was conducted based on the criteria and framework adopted by the Board. The Board evaluation process was completed during fiscal 2022.

For Independent Directors, evaluation is carried out based on the criteria viz. the considerations which led to the selection of the Director on the Board and the delivery against the same, contribution made to the Board/Committees, attendance at the Board/Committee Meetings, impact on the performance of the Board/ Committees, instances of sharing best and next practices, engaging with top management team of the Company, participation in Strategy Board Meetings, etc.

In a separate meeting of independent directors, performance of non-independent directors, the board as a whole and the Chairman of the Company was evaluated, taking into account the views of executive directors and nonexecutive directors.

One of the key functions of the Board is to monitor and review the Board evaluation framework. The Board works with the nomination and remuneration committee to lay down the evaluation criteria for the performance of the Chairman, the Board, Board committees, and executive / non-executive / independent directors through evaluation, excluding the director being evaluated. Independent directors have three key roles – governance, control and guidance. Some of the performance indicators, based on which the independent directors are evaluated, include:

- The ability to contribute to and monitor our corporate governance practices.
- The ability to contribute by introducing international best practices to address business challenges and risks.
- Active participation in long-term strategic planning.
- Commitment to the fulfillment of a director's obligations and fiduciary responsibilities; these include participation in Board and committee meetings.

The Company has formulated a Policy for performance evaluation of the Independent Directors, the Board, its Committees and other individual Directors which includes criteria for performance evaluation of the Non-Executive Directors and Executive Directors.

As an outcome of the above exercise, it was noted that the Board as a whole is functioning as a cohesive body which is well engaged with different perspectives. The Board has a right balance of discussion between strategic and operational issues. The Board Members from different backgrounds bring about different complementarities and deliberations in the Board and Committee Meetings are enriched by such diversity and complementarities. The

Board is actively engaged on the key issue concerning strategy, talent, risk and governance. It was also noted that the Committees are functioning well and besides the Committee's terms of reference as mandated by law, important issues are brought up and discussed in the Committees & Board was updated on the same. The Board also noted that given the changing external environment, more frequent sessions on strategy with emphasis on sustainability may be considered. There are specific areas that have been identified as part of the exercise for the Board to engage itself with and the same will be acted upon.
