BIFR SCHEME

As stated in last year's Report, the BIFR sanctioned a fresh Scheme at its meeting held on 14th June, 1996. The said Scheme is under implementation.

OPERATIONS

- (i) The year under review was a difficult period for the Textile Industry. Your Company's performance was affected on account of a number of factors, the important ones among them are as under:
- The realisation of finished goods did not keep pace with the increase in prices of raw materials
 - The Company could put into operation only 7616 spindles and
 - The work of providing necessary infrastructural facilities for installing the Rotors of Open End Spinning (OES) was hampered on account of the stoppage of construction work as per directions of the State Government and Brihanmumbai Municipal Corporation, thus resulting in delay in the implementation of the Revival Scheme.

The aforesaid directions of the State Government and Brihanmumbai Municipal Corporation have now been relaxed - consequently the work of providing necessary infrastructural facilities as aforesaid is in progress. All efforts are being made to install the Rotors of O.E.S. as early as possible. Once the same are installed and commissioned, your Directors expect reasonable improvement in the performance of the Textile Division.

The Modern Mills Limited

- (ii) The activities of the Real Estate Business which were progressing well were also hampered on account of stoppage of construction work of the residential complex at Mahalaxmi as a result of delay in granting necessary approvals by the Brihanmumbai Municipal Corporation (BMC). This too has contributed to the delay in the implementation of the revival scheme. However, during the current year the construction work has been recommenced after receipt of approvals from BMC.

The plot of land required to be handed over to MHADA in terms of Clause 58(1)(b) of the Development Control Regulations for Greater Bombay, 1991 has been conveyed to MHADA on 3rd February, 1997. During the current year, the Company has also handed over physical possession to BMC of the plot earmarked for amenity purposes, as required under the aforementioned Regulations. The Company is entitled to receive Transferable Development Rights in respect of the same.

- (iii) During the year under review, the manufacturing operations of the Foods Division continued to be suspended. However, the trading activities of the said Division continued to be carried on.

DIRECTORS

Mr. M. P. Jatia and Mr. Rusi N. Sethna, Directors of the Company retire by rotation under Article 112 of the Articles of Association of the Company and being eligible, offer themselves for re-appointment.

Members are requested to appoint Auditors and fix their remuneration. The present Auditors, Messrs. K. S. Aiyar & Company, Chartered Accountants, hold office upto the conclusion of the ensuing Annual General Meeting, but being eligible, offer themselves for re-appointment.
