Chairman's Statement

Dear Shareholders,

Old is GOLD!! This cliché perfectly suits the Indian textile industry. One of the oldest and most important contributors to the GDP of the country. It has also evolved into being one of the largest foreign exchange earners for India. Today, the Indian textile and apparel sector accounts for around 4% of the gross domestic product (GDP), 14 % of industrial production and more than 13% of the country's total export earnings. In fact, the sector is witnessing unprecedented growth, providing employment opportunities to more than 35 million people.

The Indian textile industry is slated to be about US\$ 52 billion this fiscal and is projected to reach US\$ 115 billion by 2012. In fact, India's exports probably will increase from 4% to 7 % in the upcoming years.

The uniform market in India has a huge potential with the school uniform market estimated at around Rs 12000 cr and the corporate/institutional uniform market at around Rs 5000 cr. The market is further growing at a rate of 15-18%. The organized segment has very few private players and the market is dominated by the unorganized sector with small capacities and inconsistent quality.

The fragmented workwear market is an opportunity for WorkStarr which provides one stop uniform solution to corporate and institution with consistent quality at affordable price. With an efficient and dedicated team of merchandisers and fashion designers, Unitex Designs is slowly creating its mark in the ready-to-wear uniforms segment.

During the year the company has tied up with Klopman, Europe's No1 workwear and protectivewear fabric manufacturer, for marketing of high end workwear and protective wear fabrics in India. Along with Klopman's extensive range of cotton and cotton blended workwear

fabrics, the company will also market the special protective wear fabrics like Flame retardant, Anti static, High visibility and Barrier fabrics of Klopman. ready-to-wear school uniform brand Medallion, in order to maximize revenues.

Given the challenges in the global financial scenario, the performance of the company has' been steadily improving ensuring the company's commitment to serving its obligations towards a long term objective of enhancing shareholders' value

Finally, I would like to place on record my deep appreciation for your unconditional support always and invite you to join me towards a promising future

Warm regards,

Sd/-

Mukul Kasliwal
Chairman
