**MAFATLAL LUBRICANTS LIMITED****DIRECTORS' REPORT**

To the Shareholders of MAFATLAL LUBRICANTS LTD.

Your Directors are pleased to present the 5th Annual Report together with the Audited Statements of Account of the Company for the year ended 31st March, 1999.

	(Rs. in Lacs)	
<b>Financial Results</b>	<b>Current Year</b>	<b>Previous Year</b>
Income from operations	1809.40	1455.88
Profit/(Loss) before interest & depreciation	48.66	(92.73)
Interest	86.17	102.26
Depreciation	13.08	6.97
Profit/(Loss) for the year	(50.59)	(201.96)

**Performance of the Company**

The income from operations grew by 24% to Rs.1809.40 lacs. The profit before interest and depreciation amounted to Rs. 48.66 lacs and there has been a reduction in net loss for the year by 75% as compared to previous year which was made possible through tighter control over various costs.

Even after four years of operations, your Company is able to withstand fiercely competitive environment in the lubricant industry. This was because it has been successful in establishing a significant market base as a High Quality Product Company and has established its presence over the years mainly on the basis of superior quality and consumer service through efficient distribution network. The lubricant market in India is impacted by sustained recession in the Indian economy since last two years and the expected uptrend has not yet occurred. The slower than expected growth in lubricant business has not affected the optimism of the Company as once the economy looks up, the turnover of the Company is expected to improve.

To augment more revenue the Company has started business of trading in textiles.

**Corporate Governance**

The Company is managed by the Board of Directors consisting of five members having extensive technical, commercial, financial and administrative acumen. The composition of the Board ensures better Corporate Governance encompassing accountability and transparency towards all shareholders, the government, creditors etc. For a regular review of the performance of the Company the Board met six times during the year. All decisions related to new investment, technology, financing and borrowing are considered by the Board of Directors.

**Dividend**

In view of the loss incurred, your Directors do not recommend any dividend for the year under review.

## **MAFATLAL LUBRICANTS LIMITED**

---

### **Government Policy**

The Petroleum Sector has been delicensed by the Government of India during the year under review and now there is no need to have and renew industrial licence to manufacture automotive and industrial oils and greases.

The Company was not able to set up its own plant as was projected earlier due to increased competition leading to higher expenditure on promotion and distribution resulting in erosion of margins. In future, if it is economical, the Company may plan to have its own plant depending on the required volumes of production and sales.

### **Termination of Joint Venture**

The Company anticipated a shake-out in the lubricant market as it is impossible for so many players to co-exist in such a small and slow growth market. In order to consolidate the presence and performance of the Company in the highly competitive market, the Indian Promoter group viz. Stanrose Mafatlal have bought over the entire equity stake of 39.32% held by Motul SA, France in the Company thus becoming a single largest shareholder of the Company with 78.64% stake and as a result the Joint Venture with the French collaborator, Motul SA came to an end.

### **Access to the Technology of Motul SA**

The Company continues manufacturing and marketing of 'MOTUL' brand of lubricants in India under licence from Motul SA. Although the Joint Venture is terminated, the Technology Licence Agreement with the right to use Motul trade mark continues. Thus Motul SA would continue to extend their technical support to the Company covering existing product range and future new product launches under their trade mark.

### **Change of name of the Company**

Consequent to termination of Joint Venture Agreement, the name of the Company was changed from Motul Mafatlal Lubricants Ltd. to "Mafatlal Lubricants Ltd." with effect from 9th December, 1998 vide Fresh Certificate of Incorporation from Registrar of Companies, Maharashtra. The change of name has been taken on record by the Stock Exchange, Mumbai. The Company has despatched stickers to all shareholders effecting change of name to be affixed on Share Certificates.

### **Directors**

During the year, all representatives of Motul SA viz. Mr.E. Zaugg, Mr. Y. Junne and Mr.J. Epstein resigned as Directors. The Board places on record its appreciation of the valuable services rendered by them to the Company during difficult years.
