MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW :

The global economy has witnessed a sharp fall after the recession of the last two years. The countries over the world have announced the stimulus packages, to overcome the crisis witnessed by the economy and to some extent have been able to minimize the effect of the recession. India has also witnessed the effect of global recession and was able to minimize the effect due to cost effective and labour intensive economy.

The Company has not carried out any business activities during the financial year and as such there was no income from operations during the financial year.

OPPORTUNITIES AND THREATS :

The financial and service sector in India is gradually recovering from the global recession and there will be ample opportunities available for the established players. In the past, your Company was engaged in Software related business and share transfer related activities, which has a good potential to grow in the future. However no business activities was carried out during the last financial year.

The competition in the financial and service sector from the well known and established corporate houses is threat for the Company to revive the said business. Apart from this, this being a customer centric business, the Company is required to make sizeable investments in office softwares, communication equipments etc., which is a challenge for the Company looking at the financial position of the Company.

SEGMENT ANALYSIS AND REVIEW :

The activity of the Company was to provide service of Share Transfer related activity. However, the said activity was discontinued by the Company. Therefore the Company operates in a single business / geographical segment as envisaged in Accounting Standard (AS-17) issued by the ICAI. Hence segment wise performance is not furnished.

FUTURE OUTLOOK :

The Company has a opportunity to re-enter the software related business activities apart from share transfer related activities. If the Company ables to do, there is a good future outlook for the Company in terms of past experience and sound promoter background.

RISKS & CONCERNS :

Our Company like other companies is exposed to various types of risks, such as financial risks, business risks, legal & statutory risks, political risks, management risks, knowledge risks etc. Externally, the Company is exposed to financial risks, strategic risks, operational risks and hazard risks. Internally, it is exposed to liquidity & cash flow risks, risks regarding intellectual capital, accounting controls, information systems etc.

Your Company has put in place a Comprehensive Enterprise Risk Management System. All the risk factors, if any related to company and its Client Companies have been identified and counter measure for mitigation of such risk have been planed and are being implemented.

INTERNAL CONTROL AND ADEQUACY :

Your Company has a proper and adequate internal control to ensure all assets are safeguard and protected against loss from unauthorized use or disposition,

The Internal Control System is designed to ensure that financial and other records are reliable for preparing financial information and other Data and for maintaining accountability of the assets. Our Company has robust internal system and process in place for ensuring the smooth conduct of its operations.

The integrity and reliability of the internal control systems are achieved through clear policies and procedures.

FINANCIAL PERFORMANCE :

During the year 2009-2010, the total income of the Company was Rs. 3050 compared to Rs. 64,281 of the previous year. This was mainly due to discontinuation of share transfer related activity by the company.

The Net Loss before tax of the Company during the year was Rs. 7,15,667 against loss Rs. 19,45,926 during the previous year. The Net Loss after tax including deferred tax was Rs. 6,64,694 as against loss Rs. 15,40,638 in the previous year.

**HUMAN RESOURCES :**

Our Company has great value for the commitment, competence and vigour shown by its employees in all aspects of business. Our Company confirms to align the policies of its human resources as per the business requirements.

The board would like to express its sincere appreciation and gratitude on behalf of all the stakeholders of the Company, who benefit from the hard work of the employees.

CAUTIONARY STATEMENT :

Statement in this Management Discussion and Analysis report detailing the Company's objective, projections about the future, estimates, expectations or predictions including, but not limited to, statements about the Company's strategy for growth, products development, market position and expenditures may be "forward - looking statements" within the meaning of applicable securities laws and regulations.

Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand / supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes or other incidental factors. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent development, information or events or otherwise.
