Your company has continued to put in all possible efforts to boost exports, during the year under review achieved Export sales to the tune of Rs.561.00 Lacs.

B. Industry Structure and Development:

Your Company operates mainly in two broad areas: Polymer Based Technical Textile Division and Traditional Textiles Division, whereas Textile Division is having two separate units for Weaving and Processing.

Polymer Based Technical Textile Division at MRT manufactures world class Textile Printing Blankets and range of other niche rubber products having a dedicated R & D wing for technical textiles. Being widely used on all types of textile screen printing machines, we are today one of the largest Textile Printing Blanket manufacturer in the country with a long track-record and excellence in quality in this industry. Since long time MRT has been exporting its products to more than 25 countries, with major countries of export being China, Pakistan, Brazil, Colombia, Thailand and Indonesia. The Company has been regularly participating in international exhibitions which enable us to keep abreast with the latest global trends.

In Rubber division your Company operates across multiple products and business in diverse markets and environment. These includes manufacturing of Polymer Coated Engineered Fabrics, which has diverse end-uses in products like defense equipment, safety & protective clothing, gaskets, diaphragms, bellows, expansion joints and many more and manufacturing of Air Cell, Hydraulic seals and spares which are supplied to transformer manufacturers and users of hydraulic equipments. Your company confirms to ASTM standards, Bureau of Indians standards, DIN standards, Federal Standards etc. and is an ISO 9001:2008 Company.

Your Company has plans to expand its ambit and scope of activities in the technical textile space. The diversification and expansion is planned with a special focus on manufacturing of Offset Printing Blankets (used in Sheet Fed and Web Fed offset printing machines), Coated and Laminated Textiles, and Polymer Coated Engineered Composites. Some of the emerging areas of technical textiles which the company plans to explore are in the field of Geotextiles, Healthcare, Safety & Protective Clothing, Industrial, Aerospace, Marine and Military sector.

In textile division your Company operates in two separate units i.e. "Maheeka Textech" a weaving unit and "Mahalaxmi Fabric Mills" a Processing unit. Maheeka Textech is a high-tech weaving unit which includes warping, sizing and world-class automatic rapier looms for weaving of various types of fabrics. Maheeka Textech also has facility of manufacturing specialty fabrics used for the technical textiles. Your Company has completed amalgamation of Mahalaxmi Fabric Mills Pvt. Ltd. in the year 2008-09 and the same has been absorbed as a separate unit in textile division. As a result of amalgamation, your Company has complete facility from warping, sizing, weaving, dyeing, bleaching, printing, processing and finishing of various types of fabrics such as cotton, polyester, Bottom-weight etc. Mahalaxmi Fabric Mills a processing unit is engaged in dyeing, bleaching, printing and processing of various types of fabrics and at the end of the chain its fabric range goes in to high quality Apparel and Home textiles catering to Domestic as well as Global Market.

C. Research & Development:

Increased globalization has made the sale of products and retaining of customers highly competitive. To overcome a significant volatility in the market, the need of the hour is high customer satisfaction and value for money from the product. Keeping the above objective as paramount, the research and development activities were focused into attending major customer complaints/suggestions in order to improve customer satisfaction. Your Directors are pleased to inform that the above efforts have lead to considerable reduction of customer complaints. Your company has successfully launched products of better quality with new aesthetic look as per customer requirements. Further your company also plans to make new investments for upgrading and modernizing their R&D facilities.

D. Internal Control System:

The Company has an adequate system of internal control implemented by the management towards achieving efficiency in operations, optimum utilization of resources and effective monitoring thereof and compliance with applicable laws. The internal control is supplemented by an extensive programme of internal audits.

The internal audit programme is finalized in consultation with the Internal Auditors and the audit committee of the Board. The Audit Committee is briefed on the findings by the internal auditors, every quarter, along with the remedial actions that have been recommended or have been taken by the management to plug systemic weaknesses. The Audit committee of the Board meets periodically to review various aspects of the performance of the company and also review the adequacy and effectiveness of internal control system and suggests improvement for strengthening them from time to time.

E. Human Resources:

Your Company continues to have cordial and harmonious relations with its employees at all levels during the period under review. The operations of the Company across functions have been strengthened through induction of appropriately qualified and experienced manpower. Management of your Company strongly focuses on the performance of the managers. The Board acknowledges it's thanks to all the shop floor personnel and other employees for making significant contribution to your Company.
