CMD's Communiqué

Dear Shareholders,

During the last financial year, the Company has delivered another robust performance that can be attributed to our diversified product portfolio and market mix.

Your Company, has recorded highest turnover and highest operating profits during the year. This all has led to strengthening of our belief that the industry has lot of scope for the value accretion.

The frequent regulatory intervention through multiple policy changes during the year has worked as a deterrent to the industrial psychology and could have repercussions in the short term.

The second phase of expansion cum modernisation of the existing facilities is underway with financial closure in place. The new project is expected to generate high-end fabric that would strengthen the sustainable business model practised by the Company over last seven decades.

The challenges of the current economic scenario are offering a lot of opportunities as well. We are confident of maintaining the growth momentum given our strategic initiatives and the infrastructure built in terms of our knowledge, skills, market understanding and management capabilities where we continue to invest in. I believe, we have built a firm platform from which we can take the Company to the next level of growth.

I express sincere thanks to each of the business associates and stakeholders for the continued faith and support and expect them to continue to repose their confidence for Weaving Another Success Run.

Warm regards,

LN BANGUR
