#### **Item No. 11**

Mahindra & Mahindra Financial Services Limited (MMFSL) was incorporated in 1991 under the name of Maxi Motors Financial Services Limited for the purpose of conducting leasing, hire purchase and other financial operations. Your Company was one of the promoters of this company. The name of

this company was changed to the present one in 1993. The subscribed share capital of MMFSL is Rs. 19.90 crores consisting of 1,99,00,000 ordinary shares of Rs. 10/- each of which your Company presently holds 59,70,000 ordinary shares being 30% of the subscribed and paid up capital investment in MMFSL and acquire the shares on offer at a price not exceeding Rs. 22 per share. After acquisition of the said shares, your Company's holding in the capital of MMFSL would be 43.22%.

Your Directors commend the resolution as set out in this item to the shareholders for their approval as it will be beneficial to the Company.

Mr. Anand G. Mahindra, Mr. Bharat Doshi and Mr. Alan E. Durante are Directors of MMFSL. None of the other Directors has any interest or concern in this item of business.

#### **Item No. 12**

The activities of the Company have considerably increased over the last few years. The Company is exploring new avenues of business which are open to it under the liberalised economy. Besides this, in order to effectively meet the challenges of global competition and maintain its dominant position in the domestic market and enlarge its overseas markets, the Company is continuously striving to improve its products and facilities and expand its product range. All these activities need substantial investment by the Company necessitating long term borrowings both from domestic and overseas sources. The Company's borrowings as on 31st March, 1997 amounted to Rs. 1,028 crores.

In view of this your Directors feel that it would be desirable to increase the borrowing limit beyond the present limit of Rs. 1500 crores to Rs. 2500 crores.

#### **Item No. 13**

The business environment in our country is becoming increasingly competitive; thanks to abolition of various controls, liberalisation and opening of the economy. It is, therefore, necessary that the Company adopts requisite measures for attracting and retaining qualified, talented and competent personnel. Stock Option Schemes, designed to foster a sense of ownership and

belonging amongst personnel, are a well accepted approach to employee motivation. It is, therefore, appropriate to consider introducing a Stock Option Scheme for the employees of the Company. The shares may be allotted directly to employees or in accordance with a scheme framed in that behalf, through a special trust, which may be set up in that behalf in accordance with the provisions of law. The scheme may also envisage the provision of monies by the Company to enable the Employees/Trust to acquire, purchase or subscribe for the shares of the Company.

Section 81 of the Companies Act, 1956, provides, *inter alia* that when it is proposed to increase the issued capital of a company by allotment of further shares, such further shares shall be offered to the existing shareholders of the Company in the manner laid down in that Section unless the shareholders in general meeting decide otherwise by a special resolution. The listing agreement with the Bombay Stock Exchange provides, *inter alia*, that the Company in the first instance should offer all the securities to be issued by the Company for

subscription *pro-rata* to the ordinary shareholders unless the shareholders decide otherwise in a general meeting.

Your Directors recommend the resolution as set out in Item No. 13 of the Notice for adoption by the shareholders.

The Directors who would be eligible/qualified to join the scheme may be deemed to be concerned or interested in this item to the extent of offer of securities which may be issued to them and benefit which may accrue to them.

By order of the Board,
