### **EXPLANATORY STATEMENT PURSUANT TO SECTION 173 (2) OF THE COMPANIES ACT, 1956.**

The Company had come out with its maiden public issue of equity shares in 1986. In order to provide utmost liquidity to its valuable investors, the Company decided to get listed its equity shares on four stock exchanges namely, Ludhiana, Delhi, Ahmedabad and Mumbai. However, The Stock Exchange, Mumbai has made available online trading terminals. At present, the traditional style of trading at the stock exchange premises only has completely phased out. SEBI has notified Securities and Exchange Board of India (De-listing of Securities) Guidelines, 2003 on January 28, 2003 under which a company can de-list its securities from any stock exchange subject to shareholders' approval by way of Special Resolution for voluntary de-listing, if its securities remain listed and are available for trading at one of such stock exchanges in India which provides online trading terminals in every part of India.

The proposed voluntary de-listing of the Company's shares from the said stock exchanges will not adversely affect any investors including the members located in the regions where the said stock exchanges are situated.

The proposed de-listing is in the interest of the Company and in order to reduce recurring cost, the Board recommends for approval by the members resolution for de-listing of its shares from all or any of the three Stock Exchanges namely, The Ludhiana Stock Exchange Association Ltd., The Delhi Stock Exchange Association Limited and The Stock Exchange, Ahmedabad where the trading of the shares of the Company is almost negligible. However, securities will remain available for trading at The Stock Exchange, Mumbai.

None of the directors of the Company is concerned or interested in the resolution at item No.5.

## **MAJESTIC AUTO LIMITED**

### **Annexure-I to Director's Report**

#### **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

##### **i) INDUSTRY STRUCTURE AND DEVELOPMENT**

Indian Auto Sector registered a huge growth of above 16% in the year which has captured the attention of global market and the export of two-wheelers has grown by more than 47%. Majestic Auto Limited, as a Hero Group Company, has achieved good performance during the period ended 30th September, 2004. This impressive performance has been possible despite intense competition in the market and rise in the price of steel during the Current Period under Report.

By way of volume (numbers), two wheelers constitute nearly 80% of the vehicles produced in the country although by value it could be just one-fourth, according to an estimate. Growth in disposable income, particularly in middle-income groups, ease of availability of credit at competitive rates, decline in public transport services and demographic structure of income class are the factors that are said to be responsible for buoyancy in two-wheeler demand particularly in motorcycles.

While in 1999-2000 motorcycles accounted for 48% of two-wheelers sold, its share in 2003-2004 has gone up to 77%. In the same period, the share of mopeds has declined to 7%.

Majestic Auto Limited is a manufacturer of Mopeds and Spare parts thereof. The Company also manufactures Exercisers, Fine Blanking Components, Silencers and Spare Parts for Bicycles. The Company has established and applies a quality system for designs, manufacture and supply of two wheel vehicles, two wheeler engines, exercisers, automobile components and fine blanking componets.

The Moped industry, in general, during the period under review has witnessed a negative growth, stock pile up in trade, tough competition etc.

##### **ii) OPPORTUNITIES AND THREATS**

- Well established Export Market, being the Top Two Wheeler from India
- Innovative ideas to launch new products
- Planning entry into other segments with promised growth potential – Rural Market

The sale of Mopeds during the current period ( 18 months) was 41216, while during the previous year ( 12 months), the sale of Mopeds ( consisting of figures of Ludhiana unit and erstwhile Ghaziabad unit) was 64462 and the sale of Mopeds of Ludhiana Unit only was 24441. The figure of sale of Mopeds during current period and previous year is not comparable. During current period, the Company has launched several new models of its Mopeds.

###### **Exercisers**

- a) The Company is manufacturing Health Equipments in the name of Allegro, Jogger, Twistepro and Stepper.
- b) The total production of Health Equipment during the current period (18 months) was 23565 while during the previous year ( 12 months), it was 21303.

###### **Fine Blanking Components**

The turnover of Fine Blanking Project during the current period (18 months) was Rs.997 lacs while during the previous year ( 12 months), it was Rs. 747 lacs.
