CHAIRMAN'S & MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

I hope that you, your families and relatives are safe and doing well. I write to you amidst uncertain times. The global spread of COVID-19 and India's lockdown has created an economic environment filled with uncertainty and risk. Our first priority has been to ensure that our workforce is safe. For our employees, we have maintained salary levels and avoided any layoffs.

While we emerge out of this crisis, the world will be a very different place. We are witnessing many of those changes already. With new class of collaboration tools, people are discovering that they are able to collaborate with each other just as well working from home, as they did in person in the pre-COVID era. Employers are discovering that the productivity is just as good, if not better, in this new way of working.

The Financial year 2019-20 commenced with the appointment of a new government at the centre with an emphatic victory. In the second tenure, the government got into action by allowing FII's to invest in NBFCs, giving incentives for affordable housing, corporate tax cuts, and various measures to put more money in the hands of the people. The reforms initiated for the economy and for the real estate sector in the past few years have resulted in formalization within the industry and increased accountability and transparency for the end-customer.

As the world battles the pandemic challenges, the initiatives announced by the Government, the RBI and the Finance Ministry to provide stimulus to the economy are highly commendable. COVID-19 is the story of our era which will be remembered and documented for teaching us to be self-reliant.

On the business side, the Office Space Leasing was at all time high during 2019, rose by 22% at around 50-60 million sqft in seven major cities of India. However, due to COVID-19 pandemic real estate sector is likely to be impacted due to nationwide lockdown as market experts see short term effect on demand-supply of office and rental spaces, besides pressure on rental values.

But a certain level of normalcy is expected in the second half of the year as the companies gradually resume their operations as the government is focusing of 'Make in India' campaign, there might be a possible shift of MNC's to India. Thus, we are expecting numerous opportunities in future.

Your company ventured into leasing industrial set up in 2019-20. The utilities and facilities management business supports and complements the lease business.

Keeping in mind the need of the hour your company is planning to focus on providing office environment that is safe- fostering health and wellness –and a place where individual feel safe, comfortable and productive. The company will ensure the best safety standards are being followed.

Looking forward, your company is also planning to focus on activities like acquisition of building/land, obtaining approvals, project planning from execution to launch, refurbishing, sales & marketing and leasing.

I would like to thank all shareholders, employees, customers, bankers and business associates for their valuable support and look forward to continued encouragement in our mission of Building India.

On behalf of fellow Directors and Majestic family, I sincerely appreciate the faith and trust that you have bestowed on us during the last year and over the lockdown period.

Stay safe & healthy
Best wishes,

Mahesh Munjal
