DIRECTORS' THIRTEENTH ANNUAL REPORT

Dear Shareholders,

Your Directors are pleased to present the Thirteenth Annual Report alongwith the audited Statements of Accounts for the year ended 31st March, 2001.

FINANCIAL RESULTS:

Net Sales	4253	4022
Interest and Other Income	37	16

Depreciation	187	182
(Loss)/Profit before tax	(1198)	(1382)
Provision for taxation	-	-
(Loss)/Profit after tax	(1198)	(1382)

OPERATIONS:

The Capacity utilisation of the Company continued to remain at a very low level mainly on account of non-sourcing of raw materials on account of non-availability of Working Capital facilities from the Banks and general recession in the Economy resulting in lower demand. The production during the year was 26211 MT of Billets and 18341 MT of Rolled Products, registering a very low Capacity utilisation of 24%. In spite of low Capacity utilisation and the increase in the input cost, the performance has been better compared to the last year. This is due to the continued efforts on the reduction in the cost and other expenditure and better realisation. Your Directors are pleased to inform you that during the year

the Government of Goa has granted concessional power tariff and waiver of demand charges for a period of 5 years.

Your Directors have pleasure to announce that the Company has been accredited with IS/ISO 9002 : 1994 for manufacture and supply of spring steel, alloy steel, carbon steel and free cutting steel in the form of Billets, Blooms and Rolled Products. This is a result of your Company's committed efforts on continuous improvement in quality, delivery, services and reliability.

FINANCIAL POSITION:

We had through our report of the last year informed the shareholders that the Company was declared as a Sick Industrial Company in terms of Section 3(1) (o) of Sick Industrial Companies (Special Provisions) Act, 1985 at the BIFR hearing held on 20-08-1999. Thereafter the Company submitted a Revival Proposal based on RBI guidelines which was found to be unviable on a long term basis, at the Joint Meeting held on 27-12-1999 at IFCI, Mumbai.

The Company thereafter sought 2 months time to submit an alternate proposal based on one time settlement which was agreed to. However, the Company could submit the same only on 31-03-2000 mainly because it had to tie up all the loose ends. The Hon'ble BIFR in the meantime, directed IFCI (OA) to advertise in the newspaper for change of Management as the Company had delayed in submitting an alternate proposal for revival.

However, there was no response from anybody except the alternate proposal submitted by your Company envisaging OTS of dues, waiver of interest by Banks and Financial Institutions, Concessions from Central and State Government, reduction of share capital and induction of a co-promoter. Your Directors recommend reduction of share capital to reflect the erosion in the net-worth.

The said proposal was discussed at the Joint Meeting held on 17-11-2000. The OA Report, based on Company's proposal was considered by BIFR at the hearing held on 20-11-2000, and directed IFCI to sort out the differences with regard to outstandings of Banks and submit DRS based on OTS with revised cut-off date of 31-03-2001.

The revised DRS taking cut-off date of 31-03-2001 was discussed at the Joint Meeting held on 17-04-2001 at IFCI, Mumbai, minutes of which have been submitted to the Hon'ble BIFR by IFCI. As on the date of this report, we have received an order from the Hon'ble BIFR, wherein they have circulated the DRS to all secured creditors and the Govt. of Goa to express their views/objections within 60 days and have fixed the next hearing on 27-08-2001 to consider objections if any. With the concessions and better working as envisaged in the DRS your Directors are hopeful of revival of your Company.

BOARD:

During the period under review, Shri V. Madhusudan resigned from the Directorship on the Board of the Company. Your Directors place on record their deep appreciation of services rendered by him during the tenure of his Directorship.

Shri A. G. Poy Raiturcar and Shri Ashok Mittal retire by rotation at the ensuing Annual General Meeting. They are eligible for reappointment. Your Directors recommend their reappointment.

AUDITORS' REPORT:

As regards Item 5 of the Auditors' Report, the Directors were not able to get written representations from the Companies in which they are Directors and place the same at the Board Meeting held on 27-06-2001 convened to approve the Audited Statement of accounts.

The Auditors have, referred to Note No. 4 (ii) of Notes on Accounts, in their report. The Directors
