OPERATIONS

The operations of the Company remained under stress for the current year as well but the worst seems to be over, as you can also notice from the current Balance Sheet. Your Board of Directors are confident of showing a Profit Balance Sheet in the milenium year.

Your Company has now stabilised its operation in both its active business areas of Auto Financing and Porfolio Investments. The receivable in Auto Finance have been consistently reducing and a close check in being kept on fresh loans and monthly receipts. The bullish trend in Stock Markets has brought substantial appreciation in the value of our investments. Both these positive factors should bring good results in the year under operation.

Your company has duly complied with the requirement of RBI prudential norms, regarding income recognisation and provisions of Non Performing Assets.

The auditor reports are self explanatory require no specific explanation except in two cases i.e. non making of provision of gratuity and non deposit of tax on dividend declared on partly paid equity shares. In this regards we wish to clarify that the gratuity is paid on actual basis as and when arise. Hence no provision has been index. Regarding dividend tax on partly paid shares earlier it was advised to us to hold the same now it has been advised otherwise. In view of that management is proceeding immediately for clearing the liability.

DIRECTORS

Mr. Vijay Mehta, Director of the Company is liable to retire by rotation at the conclusion of this Annual General Meeting and being eligible, offers himself for reappointment. The Board recommends his reappointment.
