During the year, your Company has embarked upon starting the business by trading in chemicals to generate revenue and mitigate losses. The entire paid up capital was already eroded in March-2000.

During the year company incurred losses Rs.1.91lacs as compared to previous year loss of Rs.1.96Lacs.

In last Quarter Of 2009 Allahabad bank had filed a case in DRT against the Company to recover its dues, despite bank had agreed not to file any case while accepting OTS of the Company in the year 2007. The DRT application filed by the Bank is absolute faulty and bad in law. Surprisingly, in the DRT Application, the Bank has asked for attachment on Vasai Factory which the Bank had already sold and issued NO Lien letters to various authorities in the year 2007. Due to attachment and seizer of the properties and documents of the Company, the company was unable to take action against the Bank. Once, the documents are available, the Company will take necessary legal actions against the Bank in this matter.

In the mean time, the management is putting in its best efforts to keep operations going on and generate adequate cash flows to meet bare minimum overheads and keep the plant in operations. With adequate support in the form of rehabilitation while receipts of insurance claim and uninterrupted full- scale production at the plant, the company can look forward to better performance in the coming year. Company has filed writ petition against the Sicom Ltd and others in the year December,2001 for non-considering our various pending request since 1996 onwards pertaining to grant of eligible benefits for adding and amending in the Eligibility Certificate. However, company have loose the writ Petition in the Hon'ble Mumbai High Court in the year August 2002 and thereafter company preferred filing appeal at Hon'ble Supreme Court of India, New Delhi and in November,2003 our appeal have been admitted by the Hon'ble Supreme Court of India.
