EXPLANATORY STATEMENT UNDER SECTION 173(2) OF THE COMPANIES ACT, 1956.**Item No. 4 & 5 :**

The management of your Company has always believed that whether big or small, living in metros or villages, all of them should partake of the value process at MTL. High value denomination of the share may deter small shareholders from acquiring the piece of wealth – shares of your company. It is in this context that we feel splitting of face value of shares into smaller denomination, would enhance its access to small investors.

In view of this, your Board has proposed that face value of equity shares of the Company be fixed at Re.1/- per share. To give effect to change in nominal value of equity shares, the Capital Clause in Memorandum of the company is to be altered. Resolutions set out at Item No. 4 & 5 of this notice are to make requisite changes in the Memorandum of Association of the Company.

The Board of Directors recommends the resolutions for approval of the members.

None of the directors of the company is in any way concerned or interested in the said resolution, except to the extent of their share holding in the company.
