MANAGEMENT DISCUSSION AND ANALYSIS INDUSTRY STRUCTURE & DEVELOPMENTS

The dairy industry in India is growing at a rapid pace. With India maintaining its status as largest producer of milk in the World with annual growth rate of 3-4%, the dairy industry in India is poised for major development. It is expected that 15-20% of the total milk produced in the country is processed by organized sector.

Looking at the bright prospects, more and more corporates are entering in this field, which will give a further boost to this sector.

Due to the growing demand of nutritional products from milk in the world market, your Company has diversified in the production of value added products like edible grade casein, WPC, edible grade lactose etc. To take care of growing demand, the Company has taken firm steps to go for production of pharma grade lactose.

OPPORTUNITIES AND THREATS

The world dairy market is also under tremendous change. On one side, the demand has gone up due to economic growth and on the other side subsidies available to the developed nations are phased out resulting into lower production of milk in those countries. With this background, Indian milk industry has tremendous edge by way of export to world market.

The Indian industry is still facing trade barriers like restriction on export of edible grade milk products to certain markets of the developed markets (the whole of EU and Mexico etc.).

The international casein market is going strong. Globally

MODERN DAIRIES LIMITED

there is a shortage of milk solids and milk is diversified away from Casein manufacturing towards the manufacture of other dairy products. The situation may change when milk production will increase in the milk major countries like Australia, New Zealand etc.

RISK & CONCERN

Like any agro based industry, the dairy industry is also dependent on the vagaries of nature which affect the production of milk.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Modern Dairies Limited has a proper and adequate system of internal controls to ensure that transactions are properly recorded, authorized and reported.

The Company has in place well documented and structured systems and procedures in line with the best of practices and well defined roles and responsibilities for people in all functions at various levels. The Company is certified as ISO 9001-2000 (Quality System), HACCP (Food Safety System) and ISO 14001 (Environment System) by DNV, Netherlands.

There is adequate Management Information System. Management review meetings are held periodically to monitor and control functions of the Company. Internal audit on regular basis is carried out to ensure proper control.

FINANCIAL PERFORMANCE AND RESULTS OF OPERATIONS

During the year under review the Company achieved a turnover of Rs. 171.38 Crores as against Rs. 91.73 Crores in the previous year. It has earned net profits before tax of Rs. 4.16 Crores as compared to Rs. 7.27 Crores during the previous year. The Company exported products worth Rs. 18.22 Crores during the year under review as compared to Rs. 7.73 Crores during the last year.

HUMAN RESOURCES

The Company regards its employees as the most valuable asset and continuously reviews and evolves policies and procedures to attract and retain its pool of technical and managerial personnel through a conducive work environment.

CAUTIONARY STATEMENT

The Management Discussion and Analysis report may contain statements that might be considered forward looking. These statements are subject to certain risks and uncertainties. Actual results may differ materially from those expressed in the statement as important factors could influence the Company's operations such as Government policies, local political and economic development, risk inherent to the Company's growth and such other factors.
