1. FINANCIAL RESULTS

Balance carried to Balance Sheet	(274.26)	(279.50)

2. OPERATIONS

Since last two years the Denim industry is passing through difficult business conditions. During the year under review margins were under pressure due to increase in cotton prices and the downturn witnessed in the Denim market. With the entry of new manufacturers and additions to the capacities by all the major producers in the country taking place, there has been a surplus in the market with the average realization declining during the year under review.

The company operated at lower utilization levels compared to previous financial year during the year under review. The current supply glut in the domestic denim market has dragged down the entire financial performance of the company which is visible in the financial results and the situation is not expected to improve in the near term. The exports of the Denim are not remunerative due to weak dollar and continued recessionary trend prevailing in global denim markets. However, despite of all adverse features, the Company is continuing its efforts to explore opportunities for its products in overseas markets.

Although the Company has taken several remedial steps to meet the challenges viz. optimize use of available resource, measures of saving in cost at all fronts of operation etc, it has suffered a loss of Rs.32.79 crores. In absence of profits, your directors and unable to recommend any dividend for the year under review.

3. FUTURE PROSPECTS

The substantial increase in the number of players in denim is a cause of worry and may lead to a further glut in the market. Domestic demand is expected to grow at 20-25 % whereas supply growth is expected to be in excess of 50%. This obviously means pressure on demand and margins. Your Company is hopeful to maintain its presence with competitive edge inspite of new entrants.

4. RESTRUCTURING OF DEBTS & REFERENCE TO BIFR

The Company is making continuous efforts for settlement of dues of the secured lenders which includes re-schedulement, one time settlement, waiver of penal and compound interest. Settlement made during the year under review has resulted into write back of principal and interest which has been included in the exceptional items shown under the financial results. In the last hearing held on 15th March, 2007, Hon'ble BIFR has appointed IDBI as the Operating Agency with direction to submit Revised Draft Rehabilitation Scheme.

5. PUBLIC FIXED DEPOSITS

In view of petition filed by the Company, the Hon'ble Company Law Board has passed an order on 21/12/2001 that "The repayment of fixed deposits shall be made by the Company in accordance with the "revival scheme" as and when approved by BIFR under the provisions of 'SICA'. However payments on compassionate ground are continued to be made as per the decision of the committee formed by Hon'ble CLB for this purpose.
