### OPERATIONS

The Indian Textile industry has witnessed a creeping recession for whole of the year under review leading to poor demands, subdued prices and lower margins. The payment positions have remained very tight thus adversely affecting the liquidity position of the Company. This together with the impact of non-release of need based working capital limits has affected the capacity utilisation and has pushed down the Company's performance. The Company could generate a gross turnover of Rs. 225.57 crores and has suffered a gross loss of Rs. 9.90 crores during the year under review. Due to this subdued performance, your Directors are unable to recommend any dividend.

The Company has two divisions and performance of the each division is given below :

#### YARN DIVISION

The Threads division of the Company which was under capacity build-up after expansion, has come under severe pressure due to recessionary market trends leading to poor offtakes. This coupled with tight liquidity position has pushed the unit for lower capacity utilisation thereby putting pressure on margins. The unit also faced stiff competition on the export front due to currency crisis in South East Asian countries and in the process wiped out the margins that Company could have earned.

#### WOOLLENS DIVISION

The Woollens division of the Company has been going steadily over past years. However, the division has been adversely hit by lower demands, from other woollen yarn consumers in the domestic market on one hand and on the other hand by lower offtakes in international markets due to poor demand from countries like Russia and other East European countries due to recessionary conditions prevailing there. This has squeezed out the margins that the division enjoyed in yester-years thereby affecting the profitability of the Company as a whole.

#### EXPORTS

The Company has felt the brunt of recessionary pressures in Europe and its problems were further compounded due to currency crisis in South East Asian countries. The Company has still been able to carve exports of Rs. 54.34 crores during the year under review compared to Rs. 41.68 crores during the previous year due to ISO 9002 recognition and aggressive export marketing. Company's E.O.U. Unit has made it possible for the Company to have presence in 20 countries of the world.

#### PX/PTA PROJECT

The Company's plans for setting up fully integrated and intertational size project to manufacture 1,70,000 TPA of Paraxylene (PX) and 2,50,000 TPA of Purified Terephthalic Acid (PTA) in technical collaboration with UOP Inter Americana of USA and Inca International SPA of Italy with total capital outlay of Rs. 1760 crores could not be implemented as per schedule as requisite equity could not be raised due to unprecedented sluggish primary capital market. Now the Company has decided to shelve the project for the time being. Once the primary capital market improves or alternate arrangement of the equity is made, Company would again try to explore the possibilities of going ahead with the project.

#### RESTRUCTURING OF DEBTS

As was informed to the members last year, that consequent to delay in payments to deposit holders many aggrieved investors approached the Company Law Board (CLB). After careful consideration of the petitions filed by investors and the plan submitted by the Company, the Hon'ble

Company Law Board passed a general order on 29.12.97 for repayment of Fixed Deposits over a period of three years from the maturity dates in instalments. The Company is making payments according to the order of CLB.

In view of very tight liquidity position and sluggish market conditions, the Company had approached the term lending financial institutions/banks for restructuring of debts. The financial institutions had examined the proposal of the Company and approved a scheme for restructuring of the outstanding debts and other liabilities. The restructuring includes reschedulement of term loans, waiver of penal and compound interest, reschedulement of the redemption period of preference shares and induction of long term funds by the promoters. The Company is now in the process of giving effect to the restructuring.

The restructuring will give the Company an opportunity to consolidate its operations over a time frame and Company is confident of improving its performance to earn profits in the coming years.

#### FUTURE PROSPECTS

The Company is having state of art equipments and latest technology for manufacture of blended yarn, woollen yarn, wool tops, synthetic blended yarn at its woollen and yarn divisions. The excellent, quality and customers service has placed the Company on a global map. The continuous thrust on export would make it possible for the Company to exploit the strength of India in the field of textiles.

The Company is also making all efforts to overcome the recessionary trend by adopting specific plans for every area of operation to improve performance and pull down the cost. Your Directors are confident about good long term prospects once the dark clouds of recession are shredded off from the Indian economy and from the world markets.

#### DIRECTORS

During the year Shri H.S. Ranka, Chairman has also assumed the reins of the Company as Managing Director for three years w.e.f. 30.06.98. Unit Trust of India has nominated Shri K.C. Varshney on the Board of Directors. Shri G.K. Bohara has joined the Board and has been appointed as Executive Director for three years w.e.f. 01.12.97 to look after the day to day affairs of Yarn Division at Raila. The Board recommends for approving his appointment. Shri M.L. Pamecha has been reappointed as Executive Director w.e.f. 01.12.97 for three years. Shri Rajesh Ranka has resigned as Managing Director. Shri B.C. Bhandari and Shri N.D. Goel have resigned from Directorship. Shri M.L. Pamecha, Shri T.K. Sinha and Lt. Gen. Sagat Singh retire by rotation and being eligible offer themselves for reappointment. The Board welcomes the incoming Directors and appreciates the services rendered by the outgoing Directors.

#### AUDITORS

Your Directors recommend the reappointment of M/s. S.S. Surana & Co., Chartered Accountants, Jaipur as Auditors of the Company for the year 1998-99. The observations made by the Auditors are self explanatory and have been dealt with in the notes vide Schedule 16 forming part of the accounts and hence need no further clarifications.
