**EXPLANATORY STATEMENT PURSUANT TO SECTION
173(2) OF THE COMPANIES ACT, 1956.**

ITEM NO. 6:

Your company is engaged in the manufacture of paper from agro based by-products such as bagasse, which is obtained from sugar mills situated in closed proximity to the factory of the company. Therefore, the company is in regular contact with sugar mills for procurement of bagasse. The sugar mills are producing molasses which is also their by-product and can be used as the feed stock for distilleries. The company is proposing to enter the business activity of distilleries as there is surplus molasses available with the sugar mills, which can be advantageously utilized for value added production.

The object to carry on this activity is covered in clause 23 of the Other Objects in the Memorandum of Association and to commence this object a Special Resolution is required to be passed by the shareholders as per the provisions of section 149 (2-A).

None of the Directors of the company is interested or concerned in the resolution.

Note:

The above resolution is to be passed as Special Resolution through postal ballot in terms of the provision of section 192A of the Companies Act as amended by the Companies (Amendment) Act, 2000. The result of postal ballot shall be declared and taken into consideration at the Annual General Meeting.

ITEM NO. 7 :

The Government has recently announced the policy to admix absolute alcohol with petrol. As there is vast potential for distillery units to be setup in the close proximity to the factory of our company, the Board of Directors consider it to be an opportune time to enter the business of petroleum and petroleum products.

The object to carry on this activity is covered in clause 44 of the Other Objects in the Memorandum of Association and to commence this object a Special Resolution is required to be passed by the Shareholders as per the provisions of section 149 (2-A).

None of the Directors of the company is interested or concerned in the resolution.

Note:

The above resolution is to be passed as Special Resolution through postal ballot in terms of the provision of section 192A of the Companies Act as amended by the Companies (Amendment) Act, 2000. The result of postal ballot shall be declared and taken into consideration at the Annual General Meeting.

ITEM NO. 8 :

Due to Government policy to promote absolute alcohol and to mix it with petrol, there is drastic demand for absolute alcohol which will further spur the viability of distillery units. The Board of Directors consider it to be an opportune time to enter the business of petrochemicals and its by-products.

The object to carry on this activity is covered in clause 76 of the Other Objects in the Memorandum of Association and to commence this object a Special Resolution is required to be passed by the

shareholders as per the provisions of section 149 (2-A).

None of the Directors of the company is interested or concerned in the resolution.

Note:

The above resolution is to be passed as Special Resolution through postal ballot in terms of the provision of section 192A of the Companies Act as amended by the Companies (Amendment) Act, 2000. The result of postal ballot shall be declared and taken into consideration at the Annual General Meeting.

ITEM NO. 9 :

In the course of carrying on the existing activity of manufacturing paper, the management has come across various occasions to undertake the business of sale and purchase on commission basis.

The object to carry on this activity is covered in clause 79 of the Other Objects in the Memorandum of Association and to commence this object a Special Resolution is required to be passed by the shareholders as per the provisions of section 149 (2-A).

None of the Directors of the company is interested or concerned in the resolution.

Note:

The above resolution is to be passed as Special Resolution through postal ballot in terms of the provision of section 192A of the Companies Act as amended by the Companies (Amendment) Act, 2000. The result of postal ballot shall be declared and taken into consideration at the Annual General Meeting.

ITEM NO. 10 :

The Board of Directors of your company have been exploring opportunities for expansion and diversification from time-to-time. The company has successfully implement various measures for capacity enhancement, quality upgradation, cost reduction, elimination of production bottlenecks and improving market share, and it is a result of these cumulative efforts that the company has now come to a stage of recognition in the agro based paper industry. Considering that there is vast potential for investment in agro based industry, the company has been looking for further core areas of investment in agro based industry. With the recent implementation of the Government Policy to admix absolute alcohol with petrol, the Board of Directors of the company feel that new vistas for investment have opened up for distilleries based on distillation of molasses which is an agro by-product, and is available in abundance in and around Bijnor. The company is therefore proposing to take steps to setup distilleries and to deal in petrochemical and petroleum products. However considering that huge capital investment is required to set up distillery project, the Board of Directors of your company as proposing to initially invest an amount of Rs. 2 Crores in the equity shares of Rs. 10/- each for cash at par in Mohit Petrochemicals Private Limited which is a new company under the same management, and is in the process of setting up a petrochemical distillery at Bijnor for manufacture of absolute alcohol by distillation of molasses.

The proposed amount of investment is within the limits prescribed U/s 372 A of the Companies Act, 1956 and the investment is proposed to be made out of the accumulated profits of the company existing in the form of liquid current assets. This resolution is being proposed with a view to ensure transparency in the company's working.

Mr. Surendra Kumar Jain, Mr. Sandeep Jain, Mr. Kuldeep Jain, Mrs. Anju Jain, Mrs. Anjali Jain and Mr. Navneet Jain, Directors of the company may be considered as interested in the resolution to the extent to their Directorship and Shareholding in that company.

**Note:**

The above resolution is to be passed as Special Resolution through postal ballot in terms of the provision of section 192A of the Companies Act as amended by the Companies (Amendment) Act, 2000. The result of postal ballot shall be declared and taken into consideration at the Annual General Meeting.

ITEM NO. 11 :

The Board of Directors of your company are proposing to make investment in the equity shares of Mohit Petrochemicals Private Limited, which is a new company under the same management, and is in the process of setting up a petrochemical distillery at Bijnor for manufacture of absolute alcohol by distillation of molasses.

The proposed amount of investment is within the limits prescribed U/s 372 A of the Companies Act, 1956 and the investment is proposed to be made out of the accumulated profits of the company existing in the form of liquid current assets.

The object to carry on this activity is covered in clause 29 of the Objects incidental or ancillary to the attainments of the main objects in the Memorandum of Association and to commence this object a Special Resolution is required to be passed by the shareholders as per the provisions of section 149 (2-A).

MOHIT PAPER MILLS LIMITED DIRECTORS' REPORT

The Members,

Your Directors have great pleasure in presenting the 11th Annual Report of your company along with the Audited Statement of Accounts for the year ended 31st March, 2003 and Auditors Report thereon.

1. FINANCIAL RESULTS

(Amount/Rs.)

	Current Year 31.3.2003	Previous Year 31.3.2002

2. DIVIDEND

For the year under review your company does not recommend any dividend.

3. FIXED DEPOSITS

The company has not accepted any Public deposits during the year under review.

4. CORPORATE OVERVIEW

During the year under review, the company achieved a record production of 13953.176 MT compared to 12058.555 MT in the previous year. Due to cost control measures adopted by the company and aggressive measures taken to economize on cost and overheads, the company was able to sustain impact of increase in the input costs in production of paper to some extent.

The sentiments in both domestic and international paper markets have started to turn positive from beginning of this year and prices have started moving up. However, prices are still lower than level achieved in preceding years. The gain in prices of finished goods may however largely be offset by increase in prices of fuel oils, raw materials and other inputs. Your company continues to focus on cost control measures, up-gradation of quality and increase in production. If the current buoyancy in the paper market sustains, the coming year should be better for industry.

The Board of Directors of your Company have been exploring opportunities for expansion and diversification from time-to-time. The company has successfully implement various measures for capacity enhancement, quality up-gradation, cost reduction, elimination of production bottlenecks and improving market shares of its existing paper mill and it is a result of these cumulative efforts that the company has now come to a stage of recognition in the agro based paper industry. The company has been looking for further core areas of investment, considering
