The present Authorised Share Capital of the Company is Rs. 53,00,00,000/- (Rupees Fifty Three Crores only) divided into 4,30,00,000 (Four Crores Thirty Lacs) Equity Shares of Rs. 10/- (Rupees Ten) each aggregating to Rs. 43,00,00,000/- (Rupees Forty Three Crores only) and 10,00,000 (Ten Lacs) Preference Shares of Rs. 100/- (Rupees One Hundred) each aggregating to Rs. 10,00,00,000/- (Rupees Ten Crores only) and is proposed to be increased to Rs. 70,00,00,000/- (Rupees Seventy Crores only) divided into 4,50,00,000 (Four Crores Fifty Lacs) Equity Shares of Rs. 10/- (Rupees Ten) each aggregating to Rs. 45,00,00,000/- (Rupees Forty Five Crores only) and 25,00,000 (Twenty Five Lacs) Preference Shares of Rs. 100/- (Rupees One Hundred) each aggregating to Rs. 25,00,00,000/- (Rupees Twenty Five Crores only).

Item No. 8

The debt-equity ratio of the Company has been worsening since the last couple of years. In the last financial year, the Company had raised a sum of Rs. 27.24 crores by way of a Rights Issue primarily to address this matter. However, inspite of such infusion, the debt-equity ratio has not improved.

Your Company has now received an offer from an investor subscribing to Cumulative Redeemable Non Convertible Preference Shares of Rs. 100/- each to the tune of Rs. 15 crores at a coupon rate of 9% for a term of 5 years, with an option to redeem the preference capital by the Company at any time after 18 months from the date of allotment. It is felt that by infusing preference capital, the Company will be able to repay part of its

unsecured loan and strengthen its net worth.

The Directors recommend the resolution appearing under the Item No. 8 of the accompanying Notice for your approval.

None of the Directors of the Company are deemed to be concerned or interested in the above mentioned resolution.

Item No. 9

The Company is engaged in the business of manufacture of premium cotton fabric and high end fashion printed fabric. In the course of its operations, the Company has incurred losses. The Company has now turned around and has started generating profits. However, the Company will not be in a position to declare dividend in the near future unless and until the entire debit balance in the Profit and Loss Account is completely wiped off.

Accordingly, the Company is now proposing to undertake a financial restructuring exercise whereby it is proposed that a sum of Rs. 41,58,73,807/- (Rupees Forty One Crores Fifty Eight Lacs Seventy Three Thousand Eight Hundred and Seven only) presently standing to the credit of the Securities Premium Account of the Company be utilized for adjusting the debit balance in Profit and Loss Account. The adjustment of the debit balance in the Profit and Loss Account against the balance lying to the credit of Securities Premium Account would result in clean up of the balance sheet of the Company and would also result in better presentation of the balance sheet of the Company.

The utilization of the Securities Premium Account in the above manner as permissible under Section 78 of the Companies Act, 1956 would have to be implemented through a Capital Reduction process under Sections 100 to 103 of the Companies Act, 1956 and is subject to the approval of the Hon'ble High Court of Judicature at Bombay. Article 46 of the Articles of Association of the Company permits utilization / reduction of balance in the Securities Premium Account.

The proposed restructuring will not cause any prejudice to the creditors of the Company since it does not involve any financial outlay / outgo on the part of the Company. For the sake of clarity, it is specified that the reduction of capital does not involve either the diminution of any liability in respect of unpaid capital or the payment to any shareholder of any paid up capital. The creditors of the Company are in no way affected by the proposed

reduction of the Securities Premium Account as there is no reduction in the amount payable to any of the creditors, no compromise or arrangement is contemplated with the creditors and there is no reduction in the security, which the creditors may have in the Company. Further, the proposed restructuring would not in any way adversely affect the ordinary operations of the Company or the ability of the Company to honor its commitments or to pay its debts in the ordinary course of business.

The above restructuring will have no impact on the shareholding pattern and the capital structure of the Company. The pre and post restructuring capital structure and shareholding pattern is as under:

Description	No. of Shares	
	Pre	Post
Promoters	2,32,07,635	2,32,07,635

The resolution proposed is subject to confirmation of the Hon'ble High Court of Judicature at Bombay.
