DIRECTORS' REPORT

To

The Members,

Your Directors take immense pleasure in presenting the 21st Annual Report on the business and operations of your Company along with the Audited Standalone & Consolidated Financial Statements for the year ended 31st March 2020. The Consolidated performance of the Company and its subsidiaries has been referred to wherever required.

Your Directors are pleased to inform you that the Amalgamation of First Pass Semiconductors Private Limited (First Pass) and GigaCom Semiconductor Private Limited (GigaCom) with your Company on the appointed date i.e. 1st April, 2018 was approved by the Amaravati bench of National Company Law Tribunal (NCLT) on 03rd December, 2019 and the Hyderabad bench of National Company Law Tribunal (NCLT) on 05th December, 2019. Accordingly, First Pass and GigaCom are amalgamated with MosChip, effective from 1st April, 2018, being the appointed date.

The merger is expected to result in creation of a combined entity and synergy in the business besides achieving economies of scale. Combining the functions and the operations of all the companies is expected to result in better performance with the benefits in the form of better utilization of managerial, technical and the financial resources, thereby enhancing the value of stakeholders. The amalgamation is expected to result in Operational rationalization, Cost reduction, better administration and organizational efficiency.

2. Performance Review

Your Company, MosChip Technologies Limited (formerly MosChip Semiconductor Technology Limited (MosChip India) is a fabless model semiconductor and Internet of Things/Everything (IoT/E) focused company. It specializes in product design and development services ranging from Chip Design to Systems Development. It works with Defense Labs as well as globally acclaimed chip design companies in the areas of Chip (SOC) design and development for Aerospace, Defence, Consumer and Industrial applications and IoT/E Products and Services across various industries.

On consolidated basis, the income from operations grew to Rs. 9932.07 lakhs from Rs. 7,475.87 lakhs registering a growth of 33.18 % year on year. The increased growth during the current year is primarily from Semiconductor business due to acquisitions. The loss before Interest, Depreciation and Tax stood at Rs. (3069.44) lakhs while that of previous year stood at Rs. (1,443.00) lakhs. The Consolidated results however showed a Net Loss for the year at Rs. 4601.50 lakhs as against a Net loss of Rs. 2,887.60 lakhs in the previous year.

On a standalone basis, income from operations for the year stood at Rs. 6335.17 lakhs as against Rs. 5,869.07 lakhs for the preceding year. Standalone Net Loss for the FY 2019-20 was Rs. 2734.16 lakhs as against Net Loss of Rs. 2,275.09 lakhs for the FY 2018-19.

The increase in loss when compared to previous year is on account of one time write off of few of the receivables and advances where the probability of collection as per management is very low, the company during the current year has done a detailed review of advances and receivables. The company has implemented new provision policy which will ensure that a systematic provision is made in the books based on the age of the advances and receivables thereby avoiding one time impact to the profit and loss account as we move forward.

The Performance review of the Company and its subsidiaries for the year is detailed in **Annexure - A** under 'Management Discussion & Analysis' annexed hereto pursuant to the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015,

3. Impact of the Covid-19 Pandemic:

- Most of MosChip's employees have been working from home since March 2020 except for a few engineers and admin who are required in the offices on rotational basis.
- Most of our customer driven projects are on track with Moschip as its employees are quickly adopting to "work from home".
- However, there has been a slowdown in MosChip's internal R&D and IP development as the current focus is on customer deliveries through services projects.
- In spite of all the hiccups in the last six months, the tech industry is doing well in most of the areas except Auto industry and we expect all our offices and working conditions to be back to normal by Q1 FY 2022 with cautionary measures in place.

4. Subsidiaries, Joint Ventures and Associate Companies

During the financial year, GigaCom Semiconductor LLC has merged with MosChip Technologies USA. As on 31st March, 2020, the Company has 3 direct subsidiaries, namely;
