OPERATIONAL REVIEW

During the year under review, your Company has achieved Gross Beer sales of ₹12,874.54 lacs as compared to ₹13,670.77 lacs in 2012-13 reflecting a marginal fall in sales. Your Directors are pleased to report that the Contract Brewing Agreement entered into with Molson Coors Cobra India Private Limited is working in a satisfactory manner.

The gross revenues from the Hospitality segment during the year under review have increased by more than 40% in comparison to the previous financial year.

Your Directors regrets to report that the company has continued to incur losses in the financial year under review due to higher cost of empty glass bottles and inflationary trends in the prices of raw materials, stores and expenses. The company is selling its beer products through State Government controlled Corporations, where the State Governments have not revised the sale prices of beer products, which has adversely affected the profitability of the Company. The accumulated losses of the Company at the end of the financial year have exceeded its paid up share capital and free reserves. Hence in compliance of the provisions of the Sick Industrial Companies (Special Provisions) Act, 1985, your Directors were compelled to make a mandatory reference to the Board for Industrial and Financial Reconstruction.

Your Directors have taken various measures to improve company's Income Statement and Revenue by entering into negotiation for contract brewing arrangements with other manufacturers in other states as well as for company's Rajasthan plant, for improving sales and distribution channels, revenue management and marketing functions. Therefore your Directors are hopeful for better performance in the current financial year. Your Directors wants you to refer Note No. 31 of the Balance Sheet, and your Directors are of firm opinion that the matter shall be decided in favour of your company.

DIVIDEND

For the year under review the Directors do not recommend any dividend due to loss incurred in the current year.
