### **Production Performance:**

During the year 2011-12, the overall production capacity utilization again suffered due to:

- Adverse market condition. However, during the second half of the year, the Newsprint market showed upward trend.
- Lack of infrastructure to produce adequate quantity of hard wood chemical pulp to keep all the four machines running whenever WPP order was taken on PM-4.
- Shortage of purchased pulp due to increase in price.
- Shortage of coal.

Production on PM-4 continued as a mix of WPP and Newsprint depending upon the availability of captive chemical pulp and also market demand. During the second half of the year, due to increased Newsprint market, production of Newsprint on PM-4 increased. The company continues to manufacture Note Books through an outsourced agency.

During the year, the company has incurred operating loss, Cash loss and Net loss of Rs. 31.01 Crores, Rs.66.49 Crores and Rs.76.86 Crores compared to previous year losses of Rs.55.21 Crores, Rs. 74.39 Crores and Rs. 84.78 Crores respectively.
