

live life to the fullest

34TH ANNUAL REPORT 2009-10

Nitta Gelatin India Limited

Dear Shareholders

NORIMICHI SOGA
President

Greetings from Nitta Gelatin Inc. Japan,

I am very happy that NGIL has continued its successful growth path for yet another year. It is a matter of great satisfaction that your company could achieve excellent results despite a challenging business environment.

The emphasis on growth is clearly demonstrated with the introduction of new products like Collagen Peptide, Chitosan and Meat Meal.

Nitta Gelatin Group wishes NGIL all success in its foray into the consumer market with the new product based on Collagen Peptide.

Let me reiterate Nitta Gelatin Group's commitment to the growth and success of NGIL.

I look forward to your continued support and I thank each one of you.

Norimichi Soga

Nitta Gelatin Inc.

2-22, Futamata, Yao-City, Osaka, 581-0024, Japan

T. BALAKRISHNAN I.A.S
Additional Chief Secretary

I have immense pleasure in writing to you as Chairman of your Company. I took over in July 2009. Your Company has surpassed previous records in terms of sales revenue and net profits and, the Company is growing further with several new projects.

I am extremely happy that NGIL is launching its first Consumer Product in June 2010, with the introduction of Collagen Peptide as a functional food supplement.

Let me assure the support and commitment of KSIDC and the Government of Kerala in all the future endeavours of NGIL.

Your Company stands to benefit from your support and goodwill. I thank you very much for your unstinted co-operation.

Best wishes,

T. Balakrishnan

Industries & Commerce Department

Transfer to General Reserve	13.16	4.00
Profit/(Loss) brought forward from Previous Year	2.90	(5.17)
Balance Profit carried to Balance Sheet	9.32	2.90

DIVIDEND

Your Directors are pleased to recommend a dividend of Rs.6/- per share @ 60% of the face value of Rs.10/- per share (including a special dividend of Rs. 2/- per share @ 20% of face value) on the equity capital for the Financial Year ended 31st March 2010, for the approval of the Company in General Meeting. The total outflow on account of dividend inclusive of Corporate Tax on dividend would be Rs. 5.88 Crores.

PERFORMANCE

The Gross Sales of the Company increased by 4% over the previous year to Rs. 194 Crores. The Company could achieve a 16% increase in sales volume of Gelatin and an increased price realization for Gelatin and Ossein during the year. However, in the case of Dicalcium Phosphate (DCP)

the price reduced by Rs. 600/- per MT on an average. The reduction in production of Ossein and DCP also affected Company's performance. The cost of Crushed Bone increased substantially due to shortage of the material in the market, resulting in an additional expenditure of Rs. 7.30 Crores compared to last year. The economic situation resulted in reduction of export of meat and in turn the availability of bones. Moreover, the quality of Crushed Bones affected the yield of products adversely. The profit before tax has increased by 25% over the previous year to Rs. 30.76 Crores. The Company has made a net provision of Rs. 5.30 Crores as Income-tax after setting off Minimum Alternate Tax credit of Rs. 4.37 Crores. As a result, the profit after tax increased by 69.51% over the previous year to Rs. 25.46 Crores. During the year, US Dollar was almost stable vis- a- vis the Rupee. The average realization on Rupees per

US Dollar was Rs. 46.81 as against Rs. 46.57 during the previous year. During the year, the production of Gelatin has increased by 13% to 3988 MT (3522 MT).

During this year also the Company economised its drying operations by extending the use of firewood instead of furnace Oil to more areas, resulting in substantial savings. Use of firewood instead of coal helps in reducing carbon foot-print and as the firewood is costlier than coal, we are eligible to get Carbon Credits. The process of validation is in progress now. The withdrawal of power-cut and additional power tariff with effect from June 2009 also resulted in reduction in power cost. The increased realization and production of Gelatin, savings in fuel cost helped your Company to increase the profit. The achievement of 2009-10 can be attributed to the strength of our brand and our strong and enduring customer relationships backed by the support of our collaborators M/s. Nitta Gelatin Inc., Japan.

Your company increased the production capacity of Gelatin by 500 MT during the current year. Your Company is also making all out efforts for further improvement of performance by increasing the overall yield and optimising the cost of production.

Your company sold 1983 MT of Gelatin in the export market in 23 Countries and 2062 MT in the domestic market. The continued patronage of our valued customers demonstrate their confidence in our Brand. The increased turnover gives credence to your company's ability to keep growing in the most competitive Gelatin market as we continuously update and respond to the changes in customers' preferences.

Your company successfully commissioned a project for manufacture of Meat Meal, a pet food ingredient and Sterilized Bone Meal. A portion of our raw materials, so far being discarded as waste, is being imparted value addition for the ultimate benefit of the Company. The resultant reduction in the waste material quantity enabled a reduction in waste disposal cost as well. Your company also commissioned a project for manufacture of Chitosan. These new products were under stabilization during the year under review and their full benefit is expected to accrue during the current year. As the quantities produced were relatively small their capacity utilization have not been mentioned in the Balance Sheet.

ENTERPRISE RESOURCE PLANNING

Your Company was operating under a semi-integrated software developed in the year 2000-01. To meet the operational requirements of the Company and to increase efficiency and reduce production cost, a decision was taken by your Board to implement an integrated ERP software – **my SAP ERP ECC 6.0 (SAP)**. Your Directors deem it most

appropriate to have adopted the above at a time when the Company is venturing into many diversification projects. The ERP system (SAP) was implemented with effect from 01.04.2010.

AWARDS & ACCOLADES

Your Company has earned several honours. Some of the significant accolades received include:

1. Top Export Award from CAPEXIL - Ossein & Gelatin Panel.
2. ISO 14001:2004 for Gelatin Division for Environmental Management System.

The following internationally recognized Certifications are maintained by your Company:

1. European Directorate for the Quality of Medicines & Health (EDQM) Certificate for Gelatin Division.
2. HACCP Certificate for Ossein Division & Gelatin Division for food safety.

HEALTH, SAFETY AND ENVIRONMENT

Health, Safety and Environment are always prime areas of concern of the Company. Compliance with relevant regulation and effective management of these issues are an integral part of the Company's operating philosophy.

1. Health and Safety

The Company is committed to promote health and safety of its employees. A Safety Audit including mock drill was conducted by a professional company at both divisions and proper training has been imparted to all employees. Your Company has a Safety Committee in place which include representatives from workmen and meets regularly to review issues impacting plant safety and employee health. Regular health check up of the employees is carried out. The plant is well equipped with first-aid room to meet any emergency. A cross functional team for employee health and safety and an emergency action plan are in place.

2. Environment

Out of total plot area of approx. 1,53,900 Sq. Metres, about 10,000 Sq. Metres of land around the boundary of Gelatin Division and about 38,000 Sq. Metres of land in Ossein Division has been allocated as green area which constitute approximately 31% of the total land area comprised in the two Divisions. In the plant we have reduced the Carbon Dioxide emission by implementing various electricity saving projects such as replacing Centrifugal Chillers with energy efficient Screw Chillers & Ammonia Chiller, replacing surface aeration to diffused aeration in waste water treatment plant, installation of variable frequency drives for various equipments, replacing existing lights with energy efficient lights etc.,

The plant has established composting units to convert waste sludge into manure, a value added product. The Company has in place a modern state of the art effluent treatment plant both at Ossein Division and Gelatin Division for treating and discharging water within the limits set by the State Pollution Control Board. The emissions from boilers and generator stacks are monitored regularly. A part of the effluent waste is used for generating bio-gas. The usage of wood instead of coal as a substitute for furnace oil will enable the Company to secure the 'Carbon Credit'. Steps have already been taken to get the scheme registered. The Company is continuously endeavoring to improve the environmental management.

CORPORATE SOCIAL RESPONSIBILITY

During the year, the Company had stood up to its tradition of conducting many community development programmes in and around the two Divisions at Koratty and Kakkanad. A few noteworthy programmes conducted under the aegis of the Company are – (i) provision of drinking water to the families staying in the vicinity of Ossein Division. (ii) extending financial assistance for the free medical camps conducted in the areas surrounding both the Divisions. (iii) extending support to orphanage homes by donating various items. (iv) distributing cash awards to top 3 students in SSLC Examination in Kadukutty & Koratty Panchayats. (v) donating an ambulance to Palliative Care Association, Kadukutty etc. The Company also conducted educational programmes to enlighten the children in the field of leadership and co-operation.

In order to consolidate the CSR activities under the organizational framework, the Company incorporated a Charitable Trust under the name and style **K.T. Chandy – Seiichi Nitta Foundation**. Nitta Gelatin India Limited was set up in Kerala under the leadership of **late Shri K.T. Chandy, the then Chairman of M/s. Kerala State Industrial Development Corporation Limited, Thiruvananthapuram, and Shri Seiichi Nitta, the then President of M/s. Nitta Gelatin Inc., Japan**. The foundation has been registered under the Indian Trust Act.

SUBSIDIARY COMPANIES

1) BAMNI PROTEINS LTD.

The annual production during the year in this subsidiary company was 2366 MT of Ossein and 5284 MT of Dicalcium Phosphate as against 2415 MT and 5533 MT respectively during the previous year. The Company has recorded a net profit of Rs. 42.68 Lakhs as against a profit of Rs. 64.22 Lakhs during the previous year. But for the increase in cost of power and increased depreciation, the Company's profitability would have been higher.

The Directors' Report, Balance Sheet and Profit & Loss Account of Bamni Proteins Ltd. for the year 2009-10 are attached as required under Section 212 of the Companies Act, 1956.

2) REVA PROTEINS LTD.

Your Directors are pleased to report that a wholly-owned new subsidiary company under the name "REVA PROTEINS LIMITED" has been registered on 30.07.2009 to produce 1700 MT of Lined Ossein and the by-product, Dicalcium Phosphate. The land has been allotted by the Gujarat Industrial Development Corporation at JHAGADIA in GUJARAT State to set up a plant. Clearance has been received from the Gujarat Pollution Control Board and the construction activities started during March 2010, are progressing well.

The Directors' Report, Balance Sheet and Profit & Loss Account of Reva Proteins Limited for the year 2009-10 are attached as required under Section 212 of the Companies Act, 1956.

COLLABORATORS

Your Collaborators continue to provide their whole-hearted support to your Company in all its activities.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

The information as required under Section 217(1)(e) of the Companies Act, 1956, read with the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 is annexed.

PERFORMANCE MANAGEMENT PROCESS

The performance Management Process has been used as a strong lever to change the performance culture in the organization. All the key areas (ie., Purchase, Production, Marketing, Process Development, HR and Finance) are revisited and reviewed regularly. Each of the key areas of operations having a significant impact on the bottom-line vis-à-vis the social responsibilities are set as target for various group of employees at all levels and the achievements are constantly evaluated against such targets. This has paved the way for a sense of participation and togetherness among all employees.

HUMAN RESOURCE

Your Company has a good track record of managing its intellectual capital successfully. Identifying and grooming management talent and leadership development at all levels remain the priority. Apart from utilizing the in-house training facilities, employees are imparted extensive on the job training at our Collaborator's factory in Japan. Relationship with the employees remained cordial throughout the year.

PARTICULARS OF EMPLOYEES

None of the employees of the Company is coming under the purview of Section 217(2A) of the
