- c) **Job Profile and his suitability :**

Mr. C.R. Gupte has been responsible for leading the Rubber Chemicals Business successfully and has been instrumental in achieving substantial benefits for the Company during his tenure as the Chief Executive of the Rubber Chemicals Division. To name a few, the operating profits of the Company as percentage of capital employed and of sales rose to the level of 22.34% and 11.35% respectively during the term of Mr.C.R. Gupte as the Chief Executive of the Rubber Chemicals business. The Rubber Chemicals Division itself earned a total pre-tax profit of Rs. 302 crores till 31st December 2005 during his tenure.

Mr. C.R. Gupte as the Chief Executive of the Rubber Chemicals Division has been instrumental in making the said division a profitable one. The Company has also made considerable progress in the area of R & D and Technology under the leadership of Mr. Gupte. Looking to the contribution made by Mr.C.R. Gupte for the growth of Rubber Chemicals business during the last ten years, it is in the interest of the Company and its shareholders to retain his services as Managing Director.

d) Comparative Remuneration :

Having regard to the present remuneration of Chief Executive Officers and Managing Directors of this size of companies in India, it is imperative for the Company to pay the said proposed remuneration to Mr. C.R. Gupte.

e) Pecuniary Relationship :

Mr. C.R. Gupte does not have any pecuniary relationship directly or indirectly with the Company, or any relationship with the managerial personnel of the Company. He is the brother of Mr. V.R. Gupte, a non-executive Director of the Company.

III. Other information :

a) Reasons for inadequacy of profits :

It will be observed that the Annual Accounts for the year 2005-06 being a part of this Annual Report show a profit of Rs. 67.07 Crores before tax. However, the profits calculated according to the provisions of Section 349 of the Companies Act, 1956 for payment of managerial remuneration are inadequate due to accumulated losses of the demerged Petrochemicals Division which have resulted into excess of expenditure over income. Whilst the divesting of assets and liabilities of the Petrochemicals and Plastic Product Divisions under the said Scheme of Arrangement has resulted into surplus on demerger amounting to Rs. 152.39 Crores, the aforesaid demerger surplus is required to be excluded while computing the profit for payment of managerial remuneration according to the provisions of Section 349 of the Act. This exclusion has resulted in inadequacy of profits for the purpose of payment of managerial remuneration to Mr. C.R. Gupte. This has caused unnecessary hardship to Mr. Gupte since these carry forward losses do not pertain to the Rubber Chemicals business which he heads and in fact, they belong to the now demerged business of Petrochemicals with which he had no connection. Therefore, in order to remove the undue hardships to Mr. Gupte, the approval of the members is being sought by means of a special resolution for payment of the proposed increased remuneration. The said remuneration may also be paid as minimum remuneration in the event of loss or inadequacy of profits.

b) Increase in productivity and profits :

The Company under the leadership of Mr. C.R. Gupte has been instrumental in establishing business with world leaders in tyre industry such as Bridgestone, Yokohama, Pirelli, Continental and Michelin, etc., and, as a result, the export performance of the Company leaped by nearly 4 times to touch above Rs. 100 crores for the year ended 31st March 2005. For the year 2005-06, the figure for export has in fact, reached Rs.146 Crores.

There is an overall increase in the worldwide demand of tyres and rubber based products due to which the Company is proposing to develop new products and expand the volume of its existing products. The Company is looking for alternative site to augment the production of some of its key products. All these efforts are likely to result into substantial increase in the productivity of the Company.

None of the Directors except Mr. V.R. Gupte and Mr. C.R. Gupte shall be deemed to be concerned or interested in the said Resolution.

This explanatory statement together with the accompanying Notice, is and should be treated as an abstract under Section 302 of the Companies Act, 1956.

Item No. 7 :

According to the provisions of Section 293(1)(e) of the Companies Act, 1956, the Company is required to obtain the consent of the Members in General Meeting for making contribution to charitable and other funds not directly related to the business of the Company or the welfare of its employees in case the aggregate of such contribution in any financial year is likely to exceed a sum of Rupees fifty thousand or five per cent of its average net profits as determined in accordance with the provisions of Section 349 and 350 of the Companies Act, 1956, which ever is greater immediately three preceding financial years. The approval of the Members is, therefore, being sought under the provisions of Section 293(1) to enable the Board of Directors of the Company to contribute to charitable and other funds in excess of the prescribed limits the aggregate amount of which in any financial year with effect from 1st April 2006 will not exceed a sum of Rs. 10 lakhs.

None of the Directors of the Company shall be deemed to be concerned or interested in the proposed resolution.

You are aware that the net worth of the Company which was completely eroded as on 30th September 2003 due to the accumulated losses of the Petrochemicals Division, has become positive on account of the transfer of certain liabilities of the Petrochemicals Division to Relene Petrochemicals Private Limited under the Scheme of Arrangement and your Company has ceased to be a sick company under the provisions of the Sick Industrial Companies (Special Provisions) Act, 1985. You will be pleased to know that BIFR has by its order dated 30th November 2005 declared that your Company is no longer a sick company.
