Chairman's Communique

Dear Shareholders,

It gives me immense pleasure to connect with you through this 23rd Annual Report of your Company. The year 2015-16 has been a year of growth for N R Agarwal Industries Limited (NRAIL) despite the volatile global economy and challenging Indian market conditions. The global economy remained subdued with growth in emerging and developing economies constituting about 70% of the global growth, continued to decline and the advanced economies witnessed only a very modest recovery. The Eurozone economy remained sluggish and revival continues to be slow. The economic outlook for the year 2016 globally is forecasted to see a marginal improvement from the 2015 levels. Notwithstanding the depressing global economy, India's economic growth continued during the year well supported by the Government's initiatives and reorientation programmes.

"I never dreamt of success, I worked for it"

PERFORMANCE

Against this backdrop, NRAIL's operational performance improved by 22% during 2015-16, with the turnover growing to ₹ 883 Cr from ₹ 724 Cr. This was achieved despite a reduction in end customer prices consequent to a drop in raw material prices. We, at NRAIL put our existing capabilities and capacities to optimal and efficient use and as required for the future, selectively create new capacities. Our EBIDTA for the year is 73.28 Cr which is an increase of 3.32% against the previous year. EBIDTA percentage was 4.98 in the previous year which we bettered to 8.30% during the year.

We continue to focus on sustainability and consider Product Development, People, Customer Experience, Environment & Society as the key components of our material matrix. We continue to channelize our efforts for the all-round improvement of Sarigam where our new unit is located. Our social interventions include health, sanitation, drinking water and education.
