N.R. INTERNATIONAL LIMITED**Chairman's Statement**

Dear shareholders,

It gives me immense pleasure in welcoming you to the 15th Annual General Meeting of your Company. The Director's Report and Audited Accounts for the year ended 31st March, 2006, are already with you and with your permission, I take them as read.

Before I take up the agenda for today's meeting, I would like to share with you some of my perception relating to the Coal & Steel Industry and the performance of NRIL, as well as the growth opportunities pursued by the Company.

Our primary policy of the Company is production & productivity. The financial year 2005-06 is year of expansion, diversification & consolidation. During the financial year due to sluggish market condition and sudden fall in the steel market, the demand of coke has been drastically reduced. Accordingly the Company was forced to reduce the production capacity and concentrated in import & trading of coal & coke business. The turnover of the Company as compared to the financial year 2004-05 has been reduced by 21% and profitability has also been reduced by 32%.

You must aware that during the financial year 2004-05 the company had diversified its trading activities by entering into an agreement with M/s Essar Oil Limited, Mumbai for opening of a retail outlet at Tangi, Cuttack Orissa on DO-DO basis. However due to non-availability of refinery alongwith failure of M/s Essar Oil Limited with regard to fuel supply the Company has decided to stop the project.

Though your Company has making profits since last 4 years and the expansion, diversification projects are in full swing in stead of availing any long term financial assistance from out sources your company has invested its reserves & surplus in those expansion & diversification projects. The same has resulted inadequate surplus for recommendation of dividend for the financial year ended as on 31.03.2006.

As per the future outlook of the Company for setting up of two Integrated Steel Complex (one in the State of Orissa and the other in the State of Jharkhand), on 28.10.2005 the Company has submitted two applications for allocation of Coal Blocks (Rohne Block & Chakla Block, Jharkhand) for Captive Mining to the Ministry of Coal, Government of India, New Delhi. The applications have already been passed by the Coal Ministry at their first level of scrutiny pending the final decision on the same which will be done in due course of time.

On 21.02.2006 the Directors of the Company has approved the Scheme of Amalgamation of two wholly owned subsidiary companies namely, M/s Sunrise Spongiorn & Steels Private Limited (SSSPL) & M/s Orissa Coalfields & Washeries Limited (OCWL) with NRIL. At this juncture, I would like to inform you that the 6 Tons capacity of Induction

N.R. INTERNATIONAL LIMITED

Furnace Plant under the banner of SSSPL has already started its commercial production. The order of the Hon'ble High Court of Kolkata has been passed on dt. 20.11.2006 with an effective date as 31.03.2005. Accordingly, the financial statements of all these companies are merged with the parent Company NRIL. As both the units are wholly owned subsidiary companies of NRIL there were no changes in the equity share holding pattern in the post merger equity capital base of the Company.

Keeping all these factors into consideration, your Company is expected to stabilize all business activities during this current financial year 2006-07 and expected higher turnover with higher profitability.

On 10.03.2006, your Company has obtained the in-principle listing approval of the designated stock exchange, Mumbai relating to issue & listing of 6,25,000 numbers of Equity Shares @ Rs. 10/- each issued at a premium of Rs. 48/- per share and allotted to two Bodies Corporate on preferential basis. Accordingly the paid-up equity capital base of the Company has been increased from 44,64,061 to 50,89,600 numbers of equity shares @ Rs. 10/- each.

On behalf of the Company and all of you, I take this opportunity to thank our valued customers, investors, suppliers, bankers, consultants, the Member of the Board, the Government of India, the Government of Orissa and in particular, the NRIL collective, for their excellent support and co-ordination to achieve yet another year of success for the Company. We are committed to strive together as a team to attain the main objective of the Company while ensuring our economical, social & moral commitments.

I once again welcome you and thank you for the confidence you have reposed on us.
