10. To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

"RESOLVED THAT in accordance with Section 81(1A) and other applicable provisions, if any, of the Companies Act, 1956, Articles of Association of the company and the existing Guidelines of the Securities and Exchange Board of India (SEBI) and subject to all consents and permissions required by law and subject to such conditions and modifications as may be imposed, and accepted by the Board of Directors of the company (hereinafter referred 'The Board'), which term shall include any Committee which the Board of Directors of the company may constitute or may hereafter constitute, the consent of the company be and is hereby accorded to the Board to re-issue on preferential basis 3,75,151 forfeited equity shares of the company of the face value of Rs.10/- each for cash to Nagarjuna Holdings Private Limited, one of the Core Promoters of the company (hereinafter referred to as the re-issue) as follows :

- The re-issue price of the shares shall be in accordance with the Guidelines for Preferential Issue of Shares
The relevant date for purpose of determination of the price of the shares shall be thirty (30) days prior to the date of the general body meeting i.e., August 17, 2009.
- The re-issued shares shall rank pari - passu in all respects with the existing shares."

"RESOLVED FURTHER THAT the Board be and is hereby authorised to settle all questions and matters arising out of, and incidental to the proposed offer and re-issue of forfeited equity shares and to take all steps which the Board, in its absolute discretion, considers necessary, proper or expedient for implementing this resolution".

"RESOLVED FURTHER THAT the Board be and is hereby authorised to make on its own accord or to accept such amendments, modifications, variations and alterations and to amend, modify, or vary or alter all or any of the terms of the re-issue of forfeited equity shares on such terms as the Board may in its absolute discretion decide"

11. To consider and, if thought fit, to pass with or without modification(s) the following resolution which will be proposed as a Special Resolution:

"RESOLVED THAT pursuant to Section 372A and other applicable provisions of the Companies Act, 1956 and other applicable laws and subject to the approval of financial institutions, the Board of Directors of the company be and are hereby authorised to acquire by purchase or otherwise, all of the equity shares upto an amount of Rs.5,00,000/- constituting 50,000 fully paid equity shares of Rs.10/- each in the equity share capital of Kakinada Fertilizers Limited (KFL), a company incorporated under the Companies Act, 1956 and having its registered office at No.10-4-771/5/1/A, Sriram Nagar Colony, Masab Tank, Hyderabad – 500 028, from the existing shareholders of KFL ."

"RESOLVED FURTHER THAT the Board of Directors of the company be and are hereby authorised to do all such acts, deeds, matters and things as in absolute discretion may be considered necessary, expedient or desirable and to settle any question that may arise thereto in order to give effect to the foregoing resolution or otherwise considered by the board of directors to be in the interest of the company."

Secretary

Hyderabad
July 23, 2009

Explanatory Statement under Section 173 (2) for Item Nos.10 and 11 of the Addendum to the Notice for the 33rd Annual General Meeting to be held on September 17, 2009

Item No.10

Your Directors at their meeting held on July 23, 2009 forfeited 3,75,151 equity shares for non-payment of outstanding allotment/ call money due. Prior to the forfeiture, your company had mailed forfeiture notices dated May 15, 2009 to 2,614 shareholders in respect of 4,28,731 equity shares. 2,286 shareholders in respect of 3,75,151 equity shares have not remitted the outstanding call/allotment money due and their shares now stand forfeited. This was apart from notice being mailed earlier at regular intervals.

Article 27 of the Articles of Association of the Company provides that any share forfeited, shall be deemed to be the property of the Company and the Board may sell, re-allot or otherwise dispose of the same in such manner as it thinks fit.

Your Directors now propose to re-issue the 3,75,151 forfeited equity shares of the face value of Rs.10/- each on preferential basis to Nagarjuna Holdings Private Limited, a Core Promoter, at an issue price determined as per the Guidelines for Preferential Issue of Shares.

Pursuant to the provisions of Section 81(1A) of the Companies Act, 1956, any offer or issue of shares in a company made to persons other than the holders of the equity shares of a company requires prior approval of the shareholders in a general meeting by a Special Resolution. The Listing Agreements executed by the company with the Stock Exchanges also provide that the company shall, in the first instance, offer all forfeited Securities for subscription on pro rata basis to the existing Shareholders unless the Shareholders in a general meeting decide otherwise.

As per regulation 13.1A of the SEBI (Disclosure and Investor Protection) Guidelines, 2000 as applicable from time to time, the required details are furnished as under:

a. Objects of the issue through preferential offer:

Since the number of forfeited equity shares available for re-issue, being less and not adequate to offer to all the shareholders on rights basis, it is proposed to re-issue the said shares on preferential basis to one of the Core Promoters, Nagarjuna Holdings Private Limited.

b. Pricing:

The pricing of the Shares shall not be lower than the price determined in accordance with Chapter XIII of SEBI (Disclosure and Investor Protection) Guidelines, 2000 - Guidelines for Preferential Issues.

The subscriber to the re-issue has agreed to pay the price determined in accordance with Guidelines for Preferential Issue of Shares and not the unpaid balance on the shares forfeited.

c. Intention of Promoters/Directors/Key Management persons to subscribe to the offer:

Nagarjuna Holdings Private Limited has consented to subscribe to the re-issue of forfeited equity shares being offered on Preferential basis.

Shri K S Raju, Chairman & Managing Director and Shri K Rahul Raju, Joint Managing Director may be deemed to be interested in the resolution. They are personally not subscribing to the reissue of shares.

Other Directors and Key Management personnel are not interested in this item and they do not intend to subscribe to the offer.

d. Relevant Date:

The Relevant Date for purpose of determination of the price of the shares shall be thirty (30) days prior to the date of the general body meeting i.e., August 17, 2009.

NFCL

f. Proposed time within which the allotment shall be complete:

As per SEBI Guidelines, the allotment of equity shares shall be completed within 15 days from the date of passing of the above Resolution.

g. The identity of the proposed allottees and the percentage of the preferential issue that may be held by the allottees: Nagarjuna Holdings Private Limited would be holding 7.99 % of paid up Equity Share Capital after re-issue of forfeited Equity Shares as per following details:

Name of the Allottee	PAN Number	Category	Pre-Issue Holding	% to Total Equity	Post-Issue Holding	% to Total Equity
Nagarjuna Holdings Private Ltd.	AAACN6619H	Promoter	3,38,51,474	7.90	3,42,26,625	7.99

h. Auditor's Certificate:

A certificate as required under SEBI Guidelines certifying that the proposed issue is being made in accordance with the requirements contained in SEBI Guidelines shall be obtained from the Auditors of the company.

i. Lock-in:

The equity shares to be allotted on preferential basis shall be subject to lock-in as per applicable SEBI Guidelines in this behalf.

Your Directors commend the resolution for approval of the Shareholders.

Item No.11

Your company is looking at various growth options which are synergistic with the agri-business ventures in micro irrigation, fertilizers and other agri-inputs of the company. Your company proposes to acquire 100% equity of Kakinada Fertilizers Limited as it is considered advantageous to the company's future prospects. In this regard, approval of the shareholders is being sought to acquire the entire equity capital of 50,000 equity shares of Rs.10/- each at par from the present shareholders of Kakinada Fertilizers Limited, as the proposed investment exceeds the limits prescribed by Section 372 (A) of the Companies Act, 1956.

None of the directors are concerned or interested in the said resolution.

Your Directors commend the resolution for approval of the Shareholders.

Inspection of Documents

The documents pertaining to Special Business are available for inspection at the Registered Office of the company between 10.30 a.m. and 12.30 p.m. on any working day prior to the meeting.

DIVIDEND

Your Directors after careful consideration of the accounts of the company and the global scenario have not recommended any dividend to the equity shareholders of the company.

While placing on record their deep concern, the Directors decided that in view of the inadequate profits it would not be possible to declare dividends as there was a need to conserve the profits for better financial health of the company.

Your Directors recommend 0.01 % dividend to the preference shareholders of the company for the year ended March 31, 2009 amounting to Rs.37,203/-.

SHARE CAPITAL

In view of the unprecedented economic conditions and downward share price movement, the Core Promoters have expressed their inability to raise necessary financial resources to meet the balance payment towards the allotment of 2,25,00,000 convertible warrants. Accordingly the warrants allotted to the Core Promoters stands annulled and the 10 % payment made by the Core Promoters stands forfeited in terms of the SEBI Guidelines for Preferential Issue.

FORFEITURE AND REISSUE OF PARTLY PAID SHARES

Your company had made public issue and public cum rights issue in the year 1991 and 1992. Even after a lapse of 18 years certain members had not paid the outstanding call money.

In view of the long period of time your Board of Directors approved forfeiture of 3,75,151 equity shares of Rs 10/- from 2286 members amounting to Rs 20,68,877.

Your Directors also approved reissue of forfeited equity shares of 3,75,151 of Rs 10 each at a price to be determined as per SEBI Guidelines for Preferential Issue to the Core Promoter of the company on preferential basis. The proposal is being placed before the members at the ensuing Annual General Meeting for their approval.

PLANT OPERATIONS

Urea

Your company during the year manufactured 13.78 LMT of Urea as against 13.54 LMT in the previous year.

The significant delay in the supply of gas from KG basin, which was to be available by August, 2008, was made available from April 9, 2009. Necessary agreements for supply and transport of natural gas have been executed. The production of the plant I was affected due to reduction of supply of gas. The delay in supply of natural gas from the KG Basin had effected the production of plant II, leading to the plant being operated fully on naphtha as there was no contribution from production beyond 100% capacity in this mode of operation.

Your company during the year undertook various initiatives for improving energy efficiency, reliability and cost reduction.

Carbon Dioxide Recovery (CDR) Plant

Your company commissioned the CDR Plant of 450 metric tonnes per day capacity for commercial use in the existing urea production facilities. The CDR Project is being carried out under Clean Development Mechanism which shall reduce CO₂ emission by 450 metric tonnes per day.

This change would put an end to usage of naphtha causing reduced subsidy burden on the Government and the additional production will help to make up the shortfall of urea in the country, which otherwise had to be imported at huge cost.

FUTURE PLANS

The New Pricing Scheme (NPS), Stage-III policy effective from October 1, 2006 to March 31, 2010 was notified by Government of India in March, 2007. In terms of the policy there was a need to change over from naphtha to natural gas and setting up of a revamp project with the installation of CDR unit at a capital outlay of approximately Rs. 210 crores. Your company commissioned the CDR unit successfully in March '2009 and the Revamp project is expected to be completed in October, 2009. The de-bottlenecking and revamp of the existing Plant would result in the capacity of the Plant going up from the present 13.5 Lakh MTS per annum to 15.65 Lakh MTS per annum.

The increased requirements of natural gas shall be met out of definitive supplies for which requisite contracts are entered into by the company.

NFCL

Micro Irrigation

Your company during the year commissioned and streamlined the production of new high output plain lateral production line successfully and also improved its product range.

Your company has achieved highest ever production of 511.05 lakh meters of micro irrigation products against 376.5 lakh meters during the previous year.

Your company during the year achieved the highest production in the various products manufactured by the micro irrigation division while maintaining high levels of quality.

MARKETING

During the year under review, your company established new records in sales and marketing as under

- Achieved highest ever manufactured Urea sale of 13.97 Lakh MT
- Marketed 9.11 lakh MT of imported urea.
- Recorded sale of 7150 MT of water soluble fertilizers.
- Achieved record sales in micro irrigation segment 519.77 Lakhs meters (354.26 LMTs higher than the year 2007-08)
- Achieved record sales of all micronutrients.

Urea

The year 2008 - 2009 witnessed substantial rise in demand for all fertilizer products following favourable agro climatic situation across all the states. Your company accordingly achieved high levels of sales of 23.08 lakh MT as against 25.90 lakh MT during the previous year.

Speciality Fertilizers

Your company sold 9890 MTS during the year, in comparison with sales of 9600 MTS during the previous year.

Micro Irrigation

Your company during the year achieved 27% growth in sales aggregating Rs. 60.88 crores as compared with that of the previous year (Rs.48 crores).

ENVIRONMENT, SAFETY AND AWARDS

Environment

Your company continues its mission of protecting the environment and has inculcated the concept right down the organization.

The statutory compliance of the company on environmental matters are being complied from time to time.

Safety

Your company has implemented the Process Safety Management Systems in the company and successfully upgraded itself to ISO-14001-2004.

Process Safety Management System (PSMS) compliance audit was completed and the highest rating of 4 for activity and 4 for documentation for the system was declared.

Your company has high safety standards for preventing unforeseen accidents. There has been no accident during the year.

The Plant has achieved the milestone of eleven million accident free man-hours without any lost time injury as on March 12, 2009 taking into account the man-hours worked by associates and contract employees together. This landmark was achieved for the first time since inception of the plant.

Awards

Your company during the year has bagged prestigious awards such as

§ **Greentech Environment Excellence Silver Award** for the year 2008 under Fertilizer category awarded by Greentech Foundation, New Delhi.

§ **IFA Green Leaf 2nd Runner-up Award** in the Global Competition for Excellence and Innovation in Safety, Health and Environment in the manufacturing area at Kakinada. The ceremony was held during the First Global Safety Summit conducted by International Fertilizer Industry Association and hosted by Gulf Petrochemical Industries Limited, Bahrain.

§ **Fertilizer Association of India (FAI) Environmental Protection Award** in the Nitrogenous Fertilizer Plants category for the year 2007-2008.

RESEARCH AND DEVELOPMENT

Your company has undertaken adaptive research to develop cost effective, renewable and sustainable alternate feed stocks and biofuels. The research being carried out with latest testing tools not only helps in developing alternate

feedstocks and biofuels to reduce dependency on the hydrocarbon feedstocks, but also be carbon negative and environmentally safe.

Your company has taken up 'development of plant nutrition business' with an aim to develop cost effective end to end plant nutrition solutions including new product development and its field evaluation. This product will help to build the market share, once established.

POLICY MATTERS

Your company's endeavor has always been to maintain high levels of transparency and accountability to its stakeholders. In this direction, various policies mentioned in the Corporate Governance Report have been put in place to enable the stakeholders to appreciate the various interventions the company has taken in areas connected with the stakeholders of the company.

The implementation of these policies are reviewed periodically by the Board of Directors and updated from time to time.

The company has set up a Grievance Redressal Mechanism for all its associates. The Grievance Redressal Mechanism is aimed to redress the grievances of associates expeditiously to ensure good working atmosphere and culture in the organization.

CORPORATE GOVERNANCE

Your company driven by a desire to be more competitive and recognized globally had inculcated more than a decade ago, the rules that define ethical business, much before it was introduced as statutory compliance through Clause 49 of the Listing Agreement.

Your company firmly believes that building a culture of compliance is more than meeting regulations and standards. Your company is always proactive in meeting mandated standards and practicing corporate governance in spirit and not just the letter of the law.

A report on Corporate Governance along with the Practicing Company Secretary's Certificate on its compliance is annexed hereto. Your company is happy to inform you that there were no adverse remarks / qualifications/ reservations raised in the Corporate Governance Report.

FORM-B

Form for disclosure of particulars with respect to technology absorption for the year 2008-09

A. Research and Development (R & D):

1. Specific areas in which R & D was carried out by the company at Kakinada Plant:

Engineers engaged in Process, Production, General Engineering and Maintenance departments undertake activities which are aimed at Improvements in the following areas through innovative ways:

- Energy Conservation
- Capacity Utilization
- Environmental Protection
- Process and Personal Safety
- Enhancement of Plant reliability.
- Cost effective improved packing in Micro Irrigation.

2. Benefits derived as a result of the above efforts :

The improvements achieved in the areas of Production Performance, Specific Raw Water Consumption, Treated Effluent Generation, Environmental Protection, Process & Personal Safety are given below:

- Complex Specific Raw Water Consumption is 5.292 m³ / MT of Urea, which is better than the previous year Specific Consumption of 5.335 m³ / MT of Urea.
- The Specific Effluent Generation for this year is 0.78 m³ / MT of Urea, which is better than the previous year Specific Effluent Generation of 0.83 m³ / MT of Urea.
- In the area of Environment Protection, continuous improvement is taking

place and the Company's efforts have been recognized by M/s IFA (International Fertilizers Association) by awarding the 2nd Runner-up prize in the SHE Performance in a global competition. Also, M/s FAI (Fertilizer Association of India) recognized by presenting the Environmental Protection Award in Nitrogenous Fertilizer Plants category for the year 2007-08.

- PSMS (Process Safety Management System) has been implemented successfully and achieved the highest rating, 4 out of 4.
- Kakinada Plant Site Achieved 11 Million Man hours Accident Free period for the first time since inception of the Company.
- Carbon dioxide Recovery (CDR) unit for 450MT/day capacity from the flue gases of Ammonia Reformer was commissioned successfully on 24th March 2009 which is a pollution abatement measure to reduce CO₂ emission into the atmosphere. It has potential to be considered under Clean Development Mechanism (CDM). The availability of CDR unit will also help increase production on availability of Natural Gas from RIL which has started with effect from April 9, 2009.
- Micro Irrigation division established new indigenous stretch wrap packing for Flat Type IDL, increased number of coils per truck and also lateral length per coil of 12mm Super line.

3. Future Plan of Action:

A number of action plans have been made to improve Production, Plant Reliability and reduce Specific Energy Consumption as mentioned below:

- Signed Contract with Reliance Industries Limited (RIL) to ensure adequate Natural Gas (NG) supply and convert the Company's entire operations from Naphtha to full NG. Gas supply from RIL was started w.e.f. April 9, 2009.
- First phase of revamping is completed during 2007-08. The second phase
