MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT:

The Indian textile industry is poised at a critical juncture with the impending removal of quotas, which will have significant implications for it. The continuous growth in production capacity across countries is leading to an over supply scenario. The situation ahead is indeed difficult and challenging.

MANAGEMENT PERCEPTION OF RISK AND CONCERNS:

The textile industry continues to face problems due to slow down in reforms process particularly in the matter of labour laws and power sector. Further as a 100% EOU we are exposed to exchange risks, political risks, high cost of raw materials and sluggish international market conditions. All these risks are continuously analysed and reviewed at various levels of management through an effective information system.

FUTURE OUTLOOK:

The removal of quotas and increasing preference for cotton fibre in the international market together with increasing pace of modernisation in the weaving, knitting, processing and garmenting segments within the country indicate bright prospects for the spinning sector in the future. The company has initiated various measures for modernizing the plant which would help to improve our performance in the coming years.

INTERNAL CONTROL SYSTEMS:

The Company is operating under a well defined internal control system with a constant watch to improve the system to meet the challenges of fast developments in the industry and it is monitored by the Audit Committee of the Board.

FINANCIAL ANALYSIS AND REVIEW OF OPERATION:

Please Refer to Directors Report.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS:

The Company believes in the theory "ORGANISATION FOR PEOPLE AND PEOPLE FOR ORGANISATION". The Company's Human Resources Development department is committed to work for the development of the people working for the Company.

CAUTIONARY STATEMENT : Statements in this Management Discussion and Analysis describing the company's objectives, projection, estimates and expectations may be a 'forward looking statement' within the meaning of applicable laws and regulations.
