DIRECTORS' REPORT

Your Directors have pleasure in presenting the Sixth Annual Report alongwith the audited accounts of your Company for the year ended 31st March, 1998.

GENERAL

Politically, the country witnessed a change in the Central Government. Recession continued in the economy. In the field of commerce and trade, unstable market situation continued. The senser registered a sharp drop.

The overall situation has resulted in slowing down of industrial growth. The poultry industry and in particular the processing units continued to face problems of increase in the cost of inputs.

The new budget has imposed central excise duty on the poultry meat and processed chicken. This will hit the poultry processing industry and will further hinder its growth potential. We have represented the matter to the Finance Minister for review and we are hopeful that this duty will be withdrawn keeping in mind that chicken processing industry is still in the stage of infancy.

PERFORMANCE

During the year 1997-98 the main thrust of your Company was to create awareness about the advantages of the mechanically processed chicken and this was successfully achieved through a scheme of door to door delivery which was introduced for its Hyderabad customers last year.

It is your Company's continued endeavor to widen its customer base and develop innovative marketing techniques for its products and thereby overcome the infrastructural shortcomings faced by the processing units. Keeping this in view, and to develop the concept for sale of branded Starchik Products, it is desirable to own a chain of retail outlets. Your Company has made a beginning by opening its first retail outlet (Chicken World) at Barkatpura, Hyderabad and we hope to open few more shortly in the twin cities of Hyderabad and Secunderabad.

Your Company has already established its brand image at institutional level and now with the focused methods it is set to establish the same in the retail business. We expect to achieve our target for the current financial year.
