DIRECTORS' REPORT

Your Director's have pleasure in presenting the Eighth Annual Report along with the audited accounts of your Company for the year ended 31st March, 2000.

GENERAL

The potential for growth of the poultry is enormous because of the fact that in India the per capita consumption of chicken meat is about 1 kg per annum as against 30 kg per annum in developed countries. Despite the growth potential, the processing industry has been in a severe crisis for the last two years on account of the increased cost of raw material and lack of support from the Government for export of poultry products. In contrast to this, in developed countries such exports are highly subsidized.

In the Vision 2020 document of A.P. a growth rate of 9% p.a is envisaged. This will be achieved by giving, special thrust to nineteen primary growth engines. Poultry is one of them. In spite of that there has been no evidence so far of any specifications in that regard. It is indeed ironical that in spite of the proclaimed commitment of the government to this sector, it remains in revenue crisis today.

FINANCIAL RESULTS

Your company's performance during 1999-2000 is summarized below: (Rs.in lakhs)

Particulars	1999-2000	1998-99
Sales	631.82	793,96
Other Income	3.16	30.84
Total Income	634.98	824.80
Profit/(Loss) before tax	(119.56)	6.74
Тах		-
Net Profit/(Loss) after Tax	(119.56)	6.74

Hatching Eggs, Day old Chicks & others(exports)	12.31	56.07
Marinated & other products	22.98	8.94
Live Birds	58.34	57.20

Your company achieved a sales turnover of Rs.631.82 lakhs during 1999-00 as against Rs.793.96 lakhs during 1998-99, a decrease of 20.42%. The net loss for 1999-2000 was Rs. 119.56 lakhs against a profit of Rs.6.74 lakhs for the year 1998-99.

PERFORMANCE

The performance of the Company has been poor and far below the budgeted turnovers & profitability. The reason for the poor performance is the customer resistance to processed chicken as against fresh chicken. Though the processed poultry has distinct hygiene & nutritional advantage, the consumer prejudice against it has yet to be overcome. The Company has put in lot of efforts in creating awareness about the quality of its products but it has not been able to change the customers' perception of the freshness of product.

Further the operational cost has increased due to the increase in raw material prices and personnel costs adding to the losses.

CHICKEN WORLD

Your company has its own 17 retail outlets in addition to 6 franchise outlets in the twin cities under the name "Chicken World" exclusively for "Starchik" branded - fresh, frozen, marinated products and pickles. The Company has started it's own restaurant during the current financial year but the response has been lower than the expectation. In spite of the efforts made the sales from the company owned shops and franchises have been less than 50% of the budgeted sales. The revenues generated were not enough even to meet the operating costs due to which the Company has incurred huge losses.

DIVIDEND

Considering the loss suffered by the Company, your Board of Directors have decided not to declare any dividend for the year 1999-2000.

DIRECTORS

In accordance with provisions of the Companies Act. 1956 and the Articles of Association, Shri Amarjyot Singh and Shri R.P. Vaidya, Directors of the Company, retire by rotation at the ensuing Annual General Meeting.

FIXED DEPOSITS

Your Company has not accepted any deposits from the public during the year.
