# CHAIRMAN'S MESSAGE

Dear Shareholders,

The year 2019-20 had been a difficult year for the Global as well as Indian economy which was further impacted due to CoVID-19 pandemic disrupting entire supply and demand sides.

However, against this challenging backdrop, Agriculture is one sector in Indian economy which has largely been unaffected because of many factors primarily attributed to normal monsoon, preemptive actions undertaken by the Government to enable hassle free harvesting of Rabi crops, sowing of Kharif crops and uninterrupted supply chain for movement & sale of farm harvests and uninterrupted availability of farm inputs such as Seeds, Fertilizers, and Agro Chemicals etc.

I am pleased to share with you that during 2019-20, your Company has registered ever best sale of fertilizers to the tune of 57.04 LMT, comprising of 36.08 LMT of own Urea, 11.85 LMT of imported Urea and 9.11 LMT of non-Urea Fertilizers. Your Company has achieved higher sale by 16.51% as compared to previous year. Your Company's sale of fertilizers had been more than sale of all the fertilizer PSUs put together for the 2<sup>nd</sup> consecutive year. The major thrust of the company in overall sale was due to significant increase in import business and non-Urea business.

Your Company has achieved total turnover of ₹13,135.36 crore (increase of 6% over previous year). The sales turnover was higher over previous year mainly due to increase in sale of Imported (Non-Urea) Fertilizers by 2.69 LMT, increase in sale of Imported Urea by 8.15 LMT, increase in trading of domestic SSP Fertilizers, however it was partially offset by lower sale of own manufactured Urea by 2.90 LMT, decrease in Import Party Price and decrease in Gas prices.

Your Company is continuously augmenting its business of producing and trading certified seeds under its flagship Seeds Multiplication Program. In 2019-20, the Company has achieved the ever best production & sale of certified seeds to the tune of 1.38 Lakh Quintals.

Owing to highly regulated and low margin Urea sector, your company is consistently working on shifting its strategy. As a result, the composition of gross sale of the Company has undergone visible change over the years. This year,

contribution of non-Urea business has increased to 31% as compared to 22% achieved last year. I am happy to share with you that as a long term strategy, your Company has been moving steadily to diversify its product line in order to increase margins. 'With this objective', your Company has added more products during the year i.e. Water Soluble Fertilizers, Calcium Nitrate & Single Super Phosphate (SSP) in its product basket.

During 2019-20, though your company has achieved record fertilizers sale, operating profit of the company of ₹80 crore has been on the lower side as compared to ₹408 crore in previous year mainly due to part mopping of energy norms with 5% penalty, lower production & higher energy consumption at Vijaipur due to reactor problem, increase in finance charges and employee remuneration. Further, due to retrospective withdrawal of the provision of minimum fixed cost by the government w.e.f. 02.04.2014 under NUP-2015, your company has to reverse the fixed cost subsidy income of ₹388.85 crore which has led to a loss before tax of ₹252.71 crore as compared to Profit before Tax of ₹463.37 crore of previous year.

As you know, your Company had maintained the momentum of the operations during lockdown triggered by CoVID-19 in close liaison with different government agencies despite disruption in supply chain. All the plants of the Company were kept operating with minimum required staff by following social distancing norm and other safety protocols during this lockdown period.

The progress of the ongoing energy reduction projects of installation of Gas Turbine Generators along with Heat Recovery Steam Generation Units at Panipat, Bathinda & Nangal, Energy Reduction Scheme at Vijaipur-I&II also remain adversely affected due to outbreak of CoVID-19 pandemic. The projects at Nangal, Panipat and Bathinda Units are now expected to be completed in December 2020 while energy reduction schemes at Vijaipur Units are now expected to be completed by June 2021. Your Company has also taken up the matter with the Government of India to provide suitable dispensation for the investment being made by the Company on these energy saving schemes.

Owing to CoVID-19 pandemic, the commercial operation schedule of Ramagundam Joint Venture Urea project of

your Company has also been affected due to delay in arrival of material, shortage of labour at site and delay in arrival of commissioning experts at site. The commercial production from RFCL project is now expected to be commenced shortly.

After commissioning of the project, NFL would be leveraging its existing marketing network to sell 100% Urea to be produced by this JV Company as per Marketing arrangement agreed with RFCL. NFL has geared up its marketing teams and network in southern states for marketing of RFCL urea. NFL is also extending Manpower Management Consultancy to the Ramagundam Plant which includes recruitment & training of RFCL employees.

In order to integrate and to bring transparency in various business processes, your Company is in the process of implementing ERP based integrated Software solution which is scheduled to be implemented across the company by July 2021.

Your Company is expanding its Seed business vertical. The Company has already commissioned its two Seeds Processing Units (SPUs) at Bathinda and Panipat during February, 2020 and August, 2020 respectively while the third SPU is coming up at Indore in Madhya Pradesh. The Company would be processing seeds to be grown & harvested under its flagship Seed Multiplication Program which was otherwise being processed through outsourcing to third party. The total seeds processing capacity of the Company after commissioning of all the 3 plants would be 1.20 Lakh quintals per annum.

I am pleased to inform that your company has also obtained NABL accreditation for its laboratory at Panipat Unit which will help the company to improve its testing standards and making the laboratory self-sustaining.

In order to promote appropriate use of fertilizers and to benefit farmers, your Company has strengthened its Soil Testing facility. The Company has recently launched five new Mobile Soil Testing Labs for testing the soil samples for Macro & Micro Nutrients at the doorstep of farmers free of cost. Other than the Mobile Soil Testing Labs, the Company is also serving farming community through six Static Soil Testing Labs located in different parts of country. All these Labs tested around 25000 soil samples free of cost in the year 2019-20.

Your Company is implementing various development activities under its Corporate Social Responsibility (CSR). During the year 2019-20, the focus of activities was on Health, School Education and Nutrition. The Company incurred an expenditure of ₹ 574.56 Lakh during the year.

The Company continued taking up wide range of welfare activities in different areas like Sanitation, Solar lights & Solar Panels, Environment etc. The Company also supported

Government of India and State Government in Disaster Management by contributing and taking different initiatives in the relief work for CoVID-19 pandemic, Punjab Floods, Cyclone "Fani" and flood affected Assam. Your Company contributed ₹1.56 Crore towards PMCARES Fund to support Government efforts to combat CoVID-19 pandemic. This included contribution of one day's salary by NFL employees towards PMCARES Fund amounting to ₹92.00 Lakh and contribution of ₹64.00 Lakh from CSR funds. In addition to this, during the year, your company contributed an amount of ₹1.5 Crore for flood affected people of Assam. NFL's contribution included one day's salary of employees alongwith a sizeable contribution by the company.

The philosophy of your Company on Corporate Governance is to ensure transparency, disclosures and reporting that conforms fully with the laws and regulations of the country in order to promote ethical conduct & practices throughout the organization for enhancing stakeholder's value. Your Company is committed to comply with the provisions of SEBI (Listing Obligations & Disclosures Requirements) Regulations, 2015 relating to Corporate Governance and the guidelines on Corporate Governance for Central Public Sector Enterprises issued by Department of Public Enterprises, Government of India.

As we continue our eventful journey, I express my gratitude for your continued support and faith in our endeavours.

I also take this opportunity to sincerely thank and laud my colleagues on the Board of Directors for their valuable guidance and support in running the affairs of the Company. I also wish to express my thanks to the Department of Fertilizers (Ministry of Chemicals and Fertilizers), Fertilizer Industry Coordination Committee (FICC), Railways, other Ministries and Departments of the Government of India and the various State Governments for their valuable guidance and look forward to their continued support.

I would like to thank Statutory, Secretarial, Cost and Government Auditors, Banks, Regulatory Authorities for their guidance and support. I sincerely thank all our customers and business associates for their continued support. I would also like to thank all our employees for their commitment, hard work and contribution to the Company's performance.

With the trust and confidence shown by all of you, we are looking forward to continue our journey in a manner that develops trust and enhances the long term value for all stakeholders.

With best regards, Yours sincerely,

(Virendra Nath Datt)
Chairman & Managing Director

<sup>#</sup> Debt - Equity ratio includes debts borrowed by Company for Feed Stock Conversion Projects (from 'LSHS/FO' to Gas) at Nangal, Bathinda and Panipat Unit which under the Gol Policy is reimbursed to the Company as Capital Subsidy.

<sup>\*</sup>Paid up Capital of is ₹490.58 Crore (i.e. 49,05,78,400 Equity Shares of ₹10/- each fully paid up).

<sup>\*\*</sup> Based on prevaling price of share at the end of financial year.

## **Board's Report**

#### To,

#### Dear Members,

On behalf of the Board of Directors of your Company, I have the pleasure in presenting the 46<sup>th</sup> Annual Report on the business and operations of the Company together with the Audited Financial Statements including Consolidated Audited Financial Statements of the Company for the Financial Year 2019-20 and the Auditors' Reports and Comments of Comptroller & Auditor General of India (C&AG).

During the year, the loss before Tax was ₹252.71 crore as against Profit before tax of ₹463.37 crore achieved during CPLY. The decrease in profit is mainly due to increase in energy consumption, reduction in energy norms (5% penalty), for the FY 2019-20 (2% in FY 2018-19) pursuant to DoF notification dated 28.03.2018, decrease in contribution due to lower production of Urea (by 1.32 LMT) and lower sale of Urea (by 2.90 LMT), decrease in contribution from industrial product, increase in finance charge, increase in employee remuneration and increase in repair & maintenance expenses etc. In addition, Company has reversed fixed cost subsidy income of ₹388.85 crore (shown as exceptional item) due to deletion of para 3.2 of MNPS III policy regarding minimum fixed cost retrospectively w.e.f. 02.04.2014 (DoF letter dated 30.03.2020). Energy consumption per MT of Urea at all Units was within revised energy norms for FY 2019-20 fixed by GOI under New Urea Policy 2015 except for Vijaipur-I & Vijaipur-II units.

The energy consumption per MT of Urea at NFL plants during 2019-20 was as follows:

(Gcal/MT/Urea)

| Units       | Revised Energy Norms for 2019-20 | Actual Energy |         |  |  |
|-------------|----------------------------------|---------------|---------|--|--|
|             |                                  | 2019-20       | 2018-19 |  |  |
| Nangal      | 7.065                            | 6.722         | 6.728   |  |  |
| Panipat     | 7.558                            | 6.956         | 6.700   |  |  |
| Bathinda    | 7.430                            | 6.864         | 7.719   |  |  |
| Vijaipur-I  | 5.884                            | 5.950         | 5.885   |  |  |
| Vijaipur-II | 5.500                            | 5.527         | 5.438   |  |  |

### **Financial Highlights**

Your Company's key financial parameters during the year 2019-20 and important financial highlights are as under: -

(₹in crore)

| Sr. No. | Particulars  | 2019-20  | 2018-19  |
|---------|--|----------|----------|
| 01.     | Sale of Urea quantity in (LMT)                                   | 36.08    | 38.98    |
| 02.     | Sale quantity of other Fertilizers (LMT)                         | 20.96    | 9.97     |
| 03.     | Sale of Urea   | 1911.85  | 2024.83  |
| 04.     | Subsidy on Urea  | 6898.51  | 7496.73  |
| 05.     | Total Sales of Urea (3+4)  | 8810.36  | 9521.56  |
| 06.     | Sale of other products including subsidy                         | 3971.35  | 2692.47  |
