DIRECTORS' REPORT TO THE MEMBERS

For the year ended on 31st March 2008

Your Directors present herewith their Report together with the Audited Accounts of your Company for the year ended 31st March 2008.

A. FINANCIAL RESULTS & APPROPRIATIONS

	2007-08	(Rs. In Lacs) 2006-07
Gross Turnover	47699	42878
Gross Profit/(Loss) for the year	3880	3684
Less: Interest	1811	1579
Less: Depreciation	815	820
Less : Deferred Tax/FTB	610	677
Net Profit/(Loss) after Tax	644	608

Your Directors are pleased to report that your Company has earned a profit after tax of Rs. 644 lacs.

Turnover of your Company during the year increased by 11.3% and the Profit after tax was marginally higher by 5.9% over previous year. The growth of your Company remained restricted primarily due to the serious shortage of working capital faced during the year since the surplus generated during the year was fully utilized in repayment of debts. Intense competition had also adversely affected the margin of the Cables Division. However the Project Division has more than doubled the turnover over the previous year and also registered a positive swing in profitability of approximately Rs. 5.35 crore. The order book of the Project Division remains healthy at Rs. 280 crore as on 31st March 2008.

Since the implementation of CDR package your Company has repaid over Rs. 70 crore of term loan to the Banks and Financial Institutions.

As the cash generated by the Company has gone towards repaying its financial obligations, there has been a severe shortage of working capital finance which has impeded growth and achieving better results.

B. DIVIDEND

In view of the accumulated losses of the previous years, your Directors do not recommend any dividend on Preference or Equity Shares.

C. Management Discussion and Analysis Report

Management Discussions and Analysis Report as required under the Listing Agreement with the Stock Exchange is enclosed in Annexure A.

D. FINANCE

As both Cables and Project Divisions offered very high growth potential, your Company approached the consortium of banks for enhancement of working capital facilities. Although the banks in principle approved the proposal but release of the facilities was delayed. As a result the much needed working capital facilities were not made available to the Company. Thus, continued working capital constraint was the principal reason for your Company not being able to exploit the available opportunities in the market. Lack of access to the required funds imposed significant limitations on your company. Both the Divisions therefore operated at sub-optimal level. In order to fully tap the growth potential, your Company proposed to form a Joint Venture with the Prysmian Group (the second largest cable Company in the world) by transferring on slump sale basis inter alia all the assets and liabilities of Cables Division to a Joint Venture Company. The scheme of restructuring involving a joint venture is subject to approval of CDR and Hon'ble High Court of Kolkata. At the High Court convened EGM held on 14th March 2008 your consent for the restructuring was accorded. CDR has also approved the proposal of your Company. The objectives of the said restructuring are enumerated below :

- Your company will be debt-free with available cash for aggressive growth of the Projects Division.
- The value of the holding in Nicco Cables Ltd (the Joint Venture) is also expected to appreciate significantly as the technological and financial strength of the Prysmian Group will allow the Cables business to grow in line with the significant anticipated industry growth.
- Your Company will come out of CDR and will wipe off the past losses to establish itself as a strong and vibrant Company.

As per the scheme, Prysmian and your Company will hold 60% and 40% of the Equity stake respectively in the proposed joint venture. Nicco Engineering Services Ltd, a wholly owned subsidiary of your Company has formed a new company by name Nicco Cables Ltd to facilitate the process.

E. FIXED DEPOSITS

The total amount of deposits as on 31st March 2008 was Rs 3.06 Lacs. Depositors did not claim deposits aggregating to Rs. 3.06 Lacs due for repayment before 31st March 2008. None of the deposits have since been refunded or renewed.
