Pursuant to the provisions of clause (d) of sub-section (1) of section 293 of the Companies Act, 1956, the Board of Directors cannot borrow more than the aggregate of amount of the paid up capital of the Company and its free reserves, at any one time, except with the consent of the shareholders of the Company in General Meeting.

The Company has plans to expand its activity and also to diversify in other fields for which the Company would be requiring to take loans from banks and Financial Institutions and in that case, the borrowings are expected to exceed the limits provided under Companies Act, 1956 i.e. aggregate of paid-up capital of the Company and its free reserves. Therefore, your Directors place before you the proposal to authorise the Board to borrow upto Rs. 50 Crores.

Provided the aggregate of such investments in all such bodies corporate do not exceed 30% of the aggregate of subscribed capital and free reserves of the Company. In case, the investments by the Company exceeds the above prescribed limits, sanction of the Company in General Meeting and provisions approval of the Central Government are required.

In view of the above and in view of increased and diversified activities of the Company, it has been considered desirable to give powers to the Board of Directors for investments in the shares of other body / bodies corporate in excess of 30% of aggregate of subscribed capital and free reserves of the Company or such other percentage as may be prescribed from time to time or Rs. 15 Crores, whichever is higher. Whenever necessary, the approval of the Central Government will be obtained.
