PROVISION OF TAXATION/DOUBTFUL DEBTS	.....	852390
PROFIT/LOSS AFTER TAX	850758	(1983775)

**Dividend:**

Taking into consideration the increased activities of the company your Directors propose to plough back the available funds for the operation of the company hence no dividend has been recommended during the year.

**Working Results:**

As the capital market and financial sectors remain depressed for most of the year your company suffered losses mainly on the investments made during the earlier year. The primary market continued to be sluggish through out the year. Your Company could not do much. Due to above factor the Company is not much interested in Non-banking financial activities. So the board has decided to withdraw the registration to carry on business of non-banking financial business w.e.f. 10th Sep., 1998. The company has plan to do software business in the future and opening of training institution for providing software training to students.

**Y2K Compliance**

The company was fully conscious of the potential threat of Y2K problem. As majority of our systems were quiet recent they were made Y2K complaint without any major cost. All our functions and operations are therefore now Y2K compliance.

**Future Planning:**

The company has plan in order to diversify the activities and to improve the business of the company and with a view to avail the new opportunities and business trend in the coming year particularly millennium year it has been decided to enter into the business of high growth areas by undertaking the activities of Information technologies and its related business of software, computer and other allied articles and merchandise etc.
