OPERATIONS & FUTURE OUTLOOK

The operations of the Company during the period under review continue to be under strain. Such strain is reflected in the rising costs of Iron Ore, Coal, Power, freight and other inputs with no corresponding increase in Sponge Iron prices which has further worsened the financial position of the Company. This has eroded the bottom line of the Company. The sponge iron industry is yet to get encouraging support from the Government.

As informed in the previous reports the Company was declared a Sick Company by the Board for Financial and Industrial Reconstruction (BIFR) vide its order dated 23rd June, 1998. The Company had submitted a scheme for Rehabilitation to the Operating Agency i.e. IFCI and BIFR. Subsequently, the Company submitted a modified proposal on 15.10.1999. The BIFR at the hearing on 27th October, 1999 directed the Company to hold discussions with the Secured Creditors for sorting out the matter regarding the reliefs & concessions sought and to submit an agreed Comprehensive Rehabilitation Scheme with the means of Finance fully tied up. Subsequently, the Company submitted a revised Rehabilitation proposal vide its letter dated 11th November, 1999.

The Company has not heard anything from the Operating Agency (IFCI) so far, nor the OA has carried out any techno

economic feasibility. In the meantime, the Company filed a Writ Petition in the High Court at Jabalpur (MP) against the Order of BIFR dated 27th October, 1999, on the plea that the normal procedure laid down under the Sick Industrial Companies (Special Provisions) Act, (SICA) has been ignored completely by the BIFR and that the BIFR has failed to apply its mind to the proposal submitted by the Company and has insisted that even prior to the submission of a proposal, the Company arrives at an agreed scheme with secured creditors.

The Jabalpur High Court granted stay of the proceedings at BIFR in the meantime. The matter has since been transferred to the Chattisgarh High Court at Bilaspur.

As reported earlier, your Directors feel that it is possible to revive the Company if the revised scheme of Rehabilitation, as submitted to the operating Agency and BIFR, is approved.

DIVIDEND

Your Directors express their inability to recommend dividend for the period under review.
