Item No.5

The Company want to delist the Equity Shares of the Company on Cochin, Calcutta Delhi, Madras and Ahmedabad Stock Exchanges as permitted by the guidelines of The Securities and Exchange Board of India (SEBI) relating to the voluntary delisting of Securities on Stock Exchanges, due to the reason that on these Stock Exchanges the shares of the Company are not traded for many years or infrequently traded. Therefore the very purpose of the listing is not fulfilled and hence the payment of listing fees to these Stock Exchanges, every year is avoidable expenses, considering the financial position of the Company. Even after delisting of shares of the Company on these Stock Exchanges the same will remain listed with the Mumbai Stock Exchange, Mumbai, where the same can be traded. Also as per the guidelines of SEBI an exist option will also be given to those shareholders who fall under the jurisdiction on these Stock Exchange by way of purchase of their shares by the promoters of the Company at specified price under these guidelines.

For this purpose the permission of share holders is required and hence the Resolution at Item No.5 is set out for this purpose. Your Directors Commend the Resolution.

None of the Directors are concerned or interested in the Resolution except to the extent the shares may be acquired by them from the share holders of the Company who are coming under the jurisdiction of stock exchanges where the Company is delisting its shares and opt for selling their shares.

Item No.6 & 7

The Directors, in the interest of the Company, proposes to diversify the activities of the Company by undertaking activities related to computers both hardwares and softwares, E-Commerce and Internet business and import and indenting of Coal and Coke.

The activities of import and indenting of Coal and Coke are covered under existing sub-clause (53) of the Memorandum of Association of the Company but the other activities stated above are not specifically covered under any existing clauses of the Memorandum of Association of the Company and therefore a new sub-clause (71) is proposed to be added after the existing sub-clause No.(70) in the Memorandum of Association of the Company and the Resolution at Item No.6 is setout for this purpose.

The Directors are also of the view that the proposed additional object viz. sub-clause (71) of the Memorandum of Association of the Company can conveniently and advantageously be combined with the existing business of the Company.

Pursuant to Section 149 (2A) of the Companies Act, 1956, Commencement of any new business mentioned under clause IIIC of Memorandum of Association of the Company requires approval of Shareholders by passing a Special Resolution in General Meeting and hence the Resolution at Item No.7 of the Notice is setout for this purpose.

OPERATIONS :

During the year under review, worldwide business were experiencing sluggishness and facing recession. The market virtually for every sector was in bad shape. Economics of most of the countries were characterised with industrial recession, political instability, wide currency fluctuations etc. Indian economy was also not untouched and industry in general had a bitter experience. Lower industrial growth, low investment, infrastructure bottlenecks, political instability, paralysed capital market, tight liquidity position in the market etc. were witnessed which did not allow the corporate sector to consolidate their position.

The Textile sector has been the worst hit during the year under consideration on account of recession in the economy and dumping of cheap fabrics by far east countries. The situation is further aggravated due to sharp rise in power cost coupled with rise in other cost components.

Given the above scenario, your Company made its best efforts to keep the ball rolling. During the year sales of the Company was lower at Rs.2422.34 Lacs as against Rs.6465.39 Lacs in the previous period of 18 months. The Company incurred a net loss of Rs.556.11 Lacs as against a net profit of Rs.22.10 Lacs in the previous period. In view of this your Directors are unable to recommend payment of any dividend.

In view of sharp downturn in company's performance your directors are taking suitable steps to rehabilitate/ restructure the Company's operations as may be advised by technical experts in the field.

EXPORTS:

During the year under report the Company has exported 216 MT Polyester Filament Yarn of Rs. 139.18 Lacs against 168 MT of Rs. 156.97 Lacs during the previous period. However, due to unremunerative prices and dumping of yarns by far east countries, the Company could not maintain the growth in exports.

FUTURE OUT LOOK:

The Company has taken a number of measures to improve its performance. The Management is hopeful of improving its performance during the current year by way of cost reduction and better utilisation of available resources besides diversification into the more rewarding business activities like Computer Hardwares, Softwares, E-Business and Import/Indenting of Coke & Coal.

Y2K COMPLIANCE :

The Management has taken adequate steps for Y2K compliance. All the systems will be Y2K compliant by 30th September, 1999. The total cost involved will be approximately Rs.5 Lacs. No major problem which may affect adversely the Company's day to day functions, is anticipated. However adequate contingency plan will be developed to meet any unanticipated system failure.

FIXED DEPOSITS :

There are no unclaimed or overdue deposits as on 31st March, 1999.
