MANAGEMENT DISCUSSION AND ANALYSIS

Overview: -

Your Company is focusing on ITES, and currently executes jobs in the space of content generation and verification.

Industry Structure & Development: -

Outsourcing in the ITES-BPO market is a significant revenue generating area for India's software and services companies.

The last year has witnessed a reduction in the outsourcing business owing to the global meltdown. Consequently, outsourcing contracts are still accruing to the big/large companies. Companies in the small to medium segment still face problems of scale and resource, and have yet to secure significant contracts.

Opportunity & Threats: -

Under the ITES-BPO segment, there are opportunities in

- a) Content Generation and verification
- b) Business/Market research
- c) Online Education

Your Company is doing some amount of content generation and verification work. However, financial resources continue to be a weakness for the company.

Risks & Concerns: -

Your Company does business, which is governed by issue of size and market segment. To be able to bid for ITES contracts, companies must exhibit the capacity to scale and grow. Your Company has no financial risk of carrying on the day-to-day business. Your Company does not faces any risk of breach of contractual liability, or litigations of any sort.
