OMNI AX'S SOFTWARE LIMITED

ITEM NO: 10

This acquisition will help the company to retain and generate more business from the existing clients. As a company we have very strong clientele list and to serve them even better we require to get into Portal Application Design and Multimedia. Multimedia is one of the fastest growing industries in the world. This acquisition will also increase our prospective clientele. So it is proposed to take over the aforesaid companies as wholly owned subsidiaries by acquiring their entire share capital on swap basis. Acquiring these companies will also leverage the software development business of the company with the help of their current employee strength, and infrastructure. Therefore it is proposed to issue 77,44,760 Equity shares of Rs 10/- each fully paid share on preferential basis to acquire their entire capital under swapping arrangement. The issue is made at a price of Rs10/-, which is fixed as per SEBI Preferential issue guidelines.

Section 81(1) of the Companies Act, 1956 however, provides in Clause (a) that when it is proposed to increase subscribed capital of the Company by allotment of further Shares, such further shares shall be offered to the persons who at the date of the offer are holders of equity shares in the Company, in proportion, as circumstances admit to the capital paid up on those shares at that date. Pursuant to Section 81(1A) of the said Act, notwithstanding anything contained in Section 81(1), the said further shares may be offered by the Company to such persons in the manner whatsoever, if a special resolution to that effect is passed by the company in General Meeting.. The proposed special resolution is being moved to comply with the requirements of section 81 and Section 81(1A) of the Companies Act, 1956 in the context of issue and allotment of 77,44,760 shares of the Company.
