**EXPLANATORY STATEMENT PURSUANT TO SECTION 173(2) OF THE COMPANIES ACT, 1956.****ITEM NO. 4**

Section 224A of the Companies Act, 1956 provides, inter alia, that in the case of a company in which not less than 25% of the subscribed capital is held whether singly or in combination by Public Financial Institutions, Government Companies, Central Govt. and/or State Govt, Nationalised Banks or any Insurance Company, the appointment or re-appointment of the Auditors at each Annual General Meeting shall be made by a Special Resolution. Central Govt., Banks and Insurance Companies together presently hold and are likely to continue to hold at the date of the ensuing Annual General Meeting of the company, more than 25% of the subscribed share capital of the company. This necessitates the passing of Special Resolution. Explanatory Statement in this regard though not strictly necessary, is given as an abundant precaution.

As required under the provision of the Companies Act, the Auditors have already forwarded a Certificate to the company stating that the re-appointment if made, will be within the limit specified in Sub-Section (1B) of the Section 224 of the Companies Act, 1956 and other applicable provisions, if any.

None of the Directors is interested or concerned in the Resolution.

The above Resolution is accordingly commended for your acceptance.

**ITEM NO. 5**

Shri Deepak Anurag, Director (Finance), Ministry of Steel, Govt. of India was appointed as an Additional Director of the Company effective from 21<sup>st</sup> April, 2005 pursuant to the provisions of Section 260 of the Companies Act, 1956 and Article No.94 of the Articles of Association of the Company.

Shri Deepak Anurag holds office up to the date of ensuing Annual General Meeting. A Notice from a member of the Company under Section 257 of the Companies Act, 1956 has been received proposing the appointment of Shri Deepak Anurag as a Director of the Company. No other Director except Shri Deepak Anurag is interested or concerned in the Resolution.

Your Directors recommend his appointment in the interest of the Company.

**ITEM NO. 6**

Under the existing Articles of Association of the company the maximum number of Directors on the Board of the company shall not be less than three nor more than five. The Company has now come under the purview of corporate governance because of amendment of clause 49 of the listing agreement. The company is required to appoint minimum four non executive independent directors in the process of re-constitution of the Board as per clause 49. It is as such necessary to amend Articles of Association of the company for strengthening the Board. Proposal is put up for increasing maximum number to twelve from the existing ceiling of five.

Again, under provision of Section 77A of the Companies Act, 1956 and SEBI (Buy – Back of Securities) Regulations, 1998, buy back of its own shares by a company is permitted only if the Articles of Association of the company authorized the same and a special resolution is passed in a general meeting of the company. Such provision is necessary in OMDC's Articles while keeping in view the future requirement.

Reference to managing agent, secretaries and treasurers omitted. The reference was redundant since the abolition of the system of managing agent, secretaries and treasurers by Act 17 of 1969, w. e. f. 03.04.1970.

Pursuant to provision of Section 31 of the Companies Act, 1956, shareholders approval is necessary for the above mentioned alteration and hence this resolution. Your Directors recommend for passing the said resolution as a special resolution.

None of the Directors of the Company is directly or indirectly interested in the above resolution.

**1. GENERAL WORKING OF THE COMPANY**

**4. OUTPUT & DESPATCH**

During the year production of iron ore increased marginally though despatch had shown marginal decline with respect to that of the previous year. In respect of manganese ore both production and despatch had fallen during the year because of no demand virtually of Blast Furnace (BF) grade manganese ore. Medium and higher grade manganese ore had however more or less steady market.

**5. DEEMED EXPORT OF IRON ORE**

Like previous year the year under review had also been favourable for the export market in respect of iron ore fines. Your company too did not remain inactive in this respect. As a matter of fact the deemed export of iron ore fines by OMDC reached record figure in the history of the Company both quantity and value wise during the year.

**6. CAPITAL EXPENDITURE**

In regard to diversified projects which should have the thrust area your company could not achieve any feat during the year that would have been worth mentioning. The reason behind such non performance in this respect was change over at the apex level of the organisation as well as considerable gap in between exit and entry. There is no denying the fact that because of administrative reasons the company had been unable to exploit the opportune moment to make bold step into diversified areas. However, efforts are now on in this direction.

During the year the company expended Rs.4.92 crores towards implementation of AMR Schemes apart from capitalisation of capital work in progress pertaining to sponge iron plant to the extent of Rs.11.12 crores.

**7. FUTURE OUTLOOK****i) Expansion and Diversification Programmes**

As already mentioned the year 2004-05 did not prove to be very prospective so far as company's future plan was concerned. Change over of management had stood on the way of drawing up future plans and implementation thereof. The company has the following programmes immediately in hand, some of which are being implemented and some are under scanner :

- a. The company is contemplating to take steps for expansion of the capacity of Sponge Iron Plant by installing another 30,000 TPA Sponge Iron Plant at Thakurani.
- b. The company is thinking of setting up Ferro Manganese or Ferro Alloys Plant. Feasibility for the same is under study.
