OPERATIONS

During the year under review, your company has achieved gross turnover of Rs.71.65 lakhs as against Rs. 8.83 in the corresponding previous year.

Your Company has now concentrated on trading activities in the current year. However, your directors have chalked out a strategy to directly import the yarn and other textile goods from cheap sources such as China and Korea. This would lead to some profitable business. Your directors have also thought of changing the business activities to real estate field and are taking necessary action for the same.

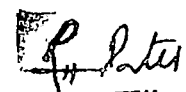

DIRECTORS

Shri Dinkar H. Patel, Director of the company would retire and being eligible offers himself for reappointment. Particulars of directors seeking re-appointment are given in the Corporate Governance.

EXPLANATIONS ON THE REMARKS/OBSERVATIONS OF AUDITORS

For the observations/qualifications made by the auditors, your directors submit their explanations as under:

1. Since the company's turnover is increased above Rs. 40 lakhs, the company has depended on the internal staff members for checking and no external agency was appointed to carry out internal audit to save on expenses.
2. Since the company has no production, no cost record is required to be maintained under section 209(1)(d) of the Companies Act, 1956.
3. As per the consistent practice followed by the company, the gratuity continued to be accounted for on cash basis. It is observed by the management that most of the employees do not put in qualifying services for gratuity hence the same could not be provided for.
4. The remarks on the reconciliation of sundry debtors and creditors, etc. does not call for special remarks as it is customary to get balances confirmed and/or reconciled which hardly affects the financial statements.

5. As consistently followed from year to year, the management firmly believes that for the assets not put to use during the year, no provision for the depreciation is justified. However for the use of assets except plant & machinery the depreciation to the extent of Rs. 64,486/- is provided for in the books.
6. For the deferred tax – non compliance with AS 22, the management firmly believes that in the near future, there is no possibility of writing off the deferred tax assets.
7. For the impairment of assets no provision is made as during the year some part of the assets were disposed off and would be treated accordingly in the current years accounts, reflecting a true and fair view, this year.

DIRECTORS' RESPONSIBILITY STATEMENT

As required by Section 217(2AA) of the Companies Act, 1956, your directors confirm that:

1. In the preparation of the Annual Accounts, the applicable accounting standards have been followed.
2. your directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent as to give a true and fair view of the state of affairs of the company as on 31st March, 2008 and the Profit and Loss Account for the year ended on that date (save and except provision of depreciation)
3. The directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the company and for preventing and detecting the frauds and other irregularities.
4. The directors have prepared the annual accounts on a going concern basis.

PARTICULARS OF EMPLOYEES

Information pursuant to provisions of Section 217(2A) of the Companies Act, 1956 read with Companies (Particulars of Employees) Rules, 1975 as amended is NOT APPLICABLE as no employee of the company was in receipt of remuneration at the prescribed rate during the year under review.

PARTICULARS OF ENERGY CONSERVATION ETC.

Since the company was not engaged into any production activities but only local trading, the information required by Section 217(1)(e) read with Companies (Disclosure of Particulars in the Report of Board of Directors) Rules 1988, being not applicable, is not furnished.

AUDITORS

M/s. Natvarlal Vepari & Co; Chartered Accountants retire at the ensuing Annual General Meeting and being eligible offer themselves for re-appointment. The observations made by auditors in their report are explained herein above.
